Robert M. Chamberlin

Principal '74

Many thanks to the students, community and teachers for the support, smiles and pleasant experiences during my stay at Thomas Jefferson.

While serving as principal, I had many enjoyable experiences. I hope the student body will continue to be as co-operative as they have in the past.

—Robert M. Chamberlin

LaRue Belcher

Principal '75

1975 started off with real anticipation and excitement for me—being assigned to Thomas Jefferson High School!!

This opportunity has been a rewarding experience and certainly the highlight of my teaching career.

We are looking forward to great things for T.J.: Expansion of our curriculum, concentration of interests directed toward individual students, and more enjoyment of school by the students and faculty.

In order to do this, I must have the help of every staff member, faculty, and student.

So let's come together!

Pep Club

Spartan Spirits Pep Club Officers.

This year's Pep Club proved to be as dynamic as ever. Their spirit throughout the whole year never died as they livened up all the athletic events.

In addition to cheering at all the games, they planned the Homecoming dance with great success, painted and displayed signs all over the school, and were always around when one of the athletes needed a spark of spirit or a helping friend.

The 1974-75 Pep Club provided for an outstanding and fulfilling year of spirit.

International Relations Club

The Internation Relations Club had a good year of involvement and fun. Their year consisted of Foreign Speakers from all over the world, and taking good care of Thomas Jefferson's Foreign Exchange Students.

They attended International Day at Colorado School of Mines where booths and exhibits were set up to display different countries. They also enjoyed themselves at a symposium at Denver University where they discussed such topics as population, food, and energy.

The Club helped the members to learn the ways of different countires and their people.

Foreign Exchange Students have made themselves at home.

I.R.C. members have discovered a new toy!

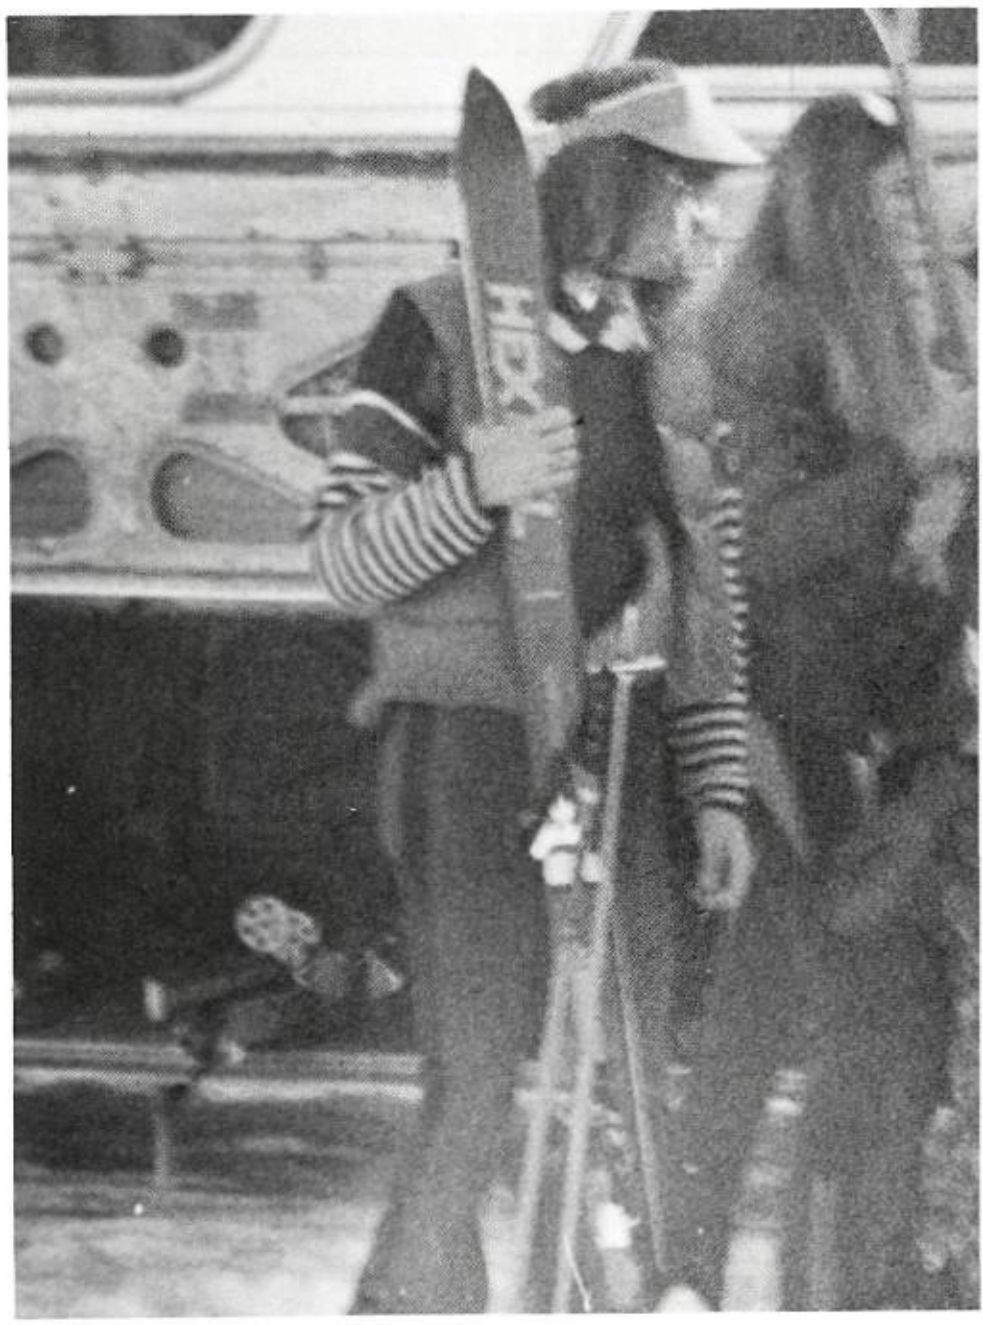
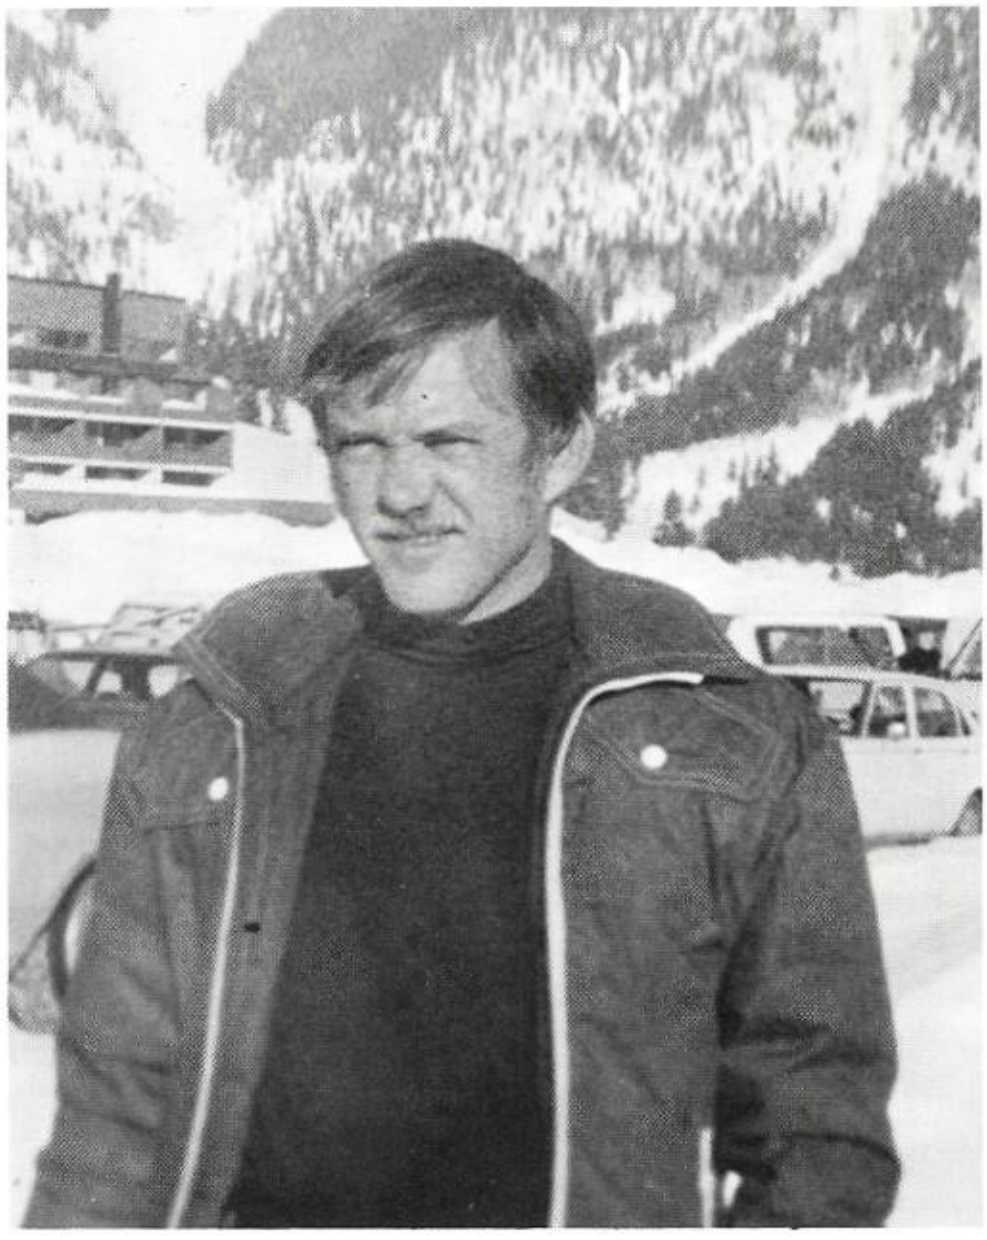
Ski Club





This season's Ski Club members kept the faith and when the snow finally came, there were many smiling faces.

This year the club went to many areas, such as A-Basin, Loveland, Breckenridge, Winter Park, Keystone and Copper Mountain.

With the rising cost of gasoline many people found the Ski Club the ideal way to get to the areas.

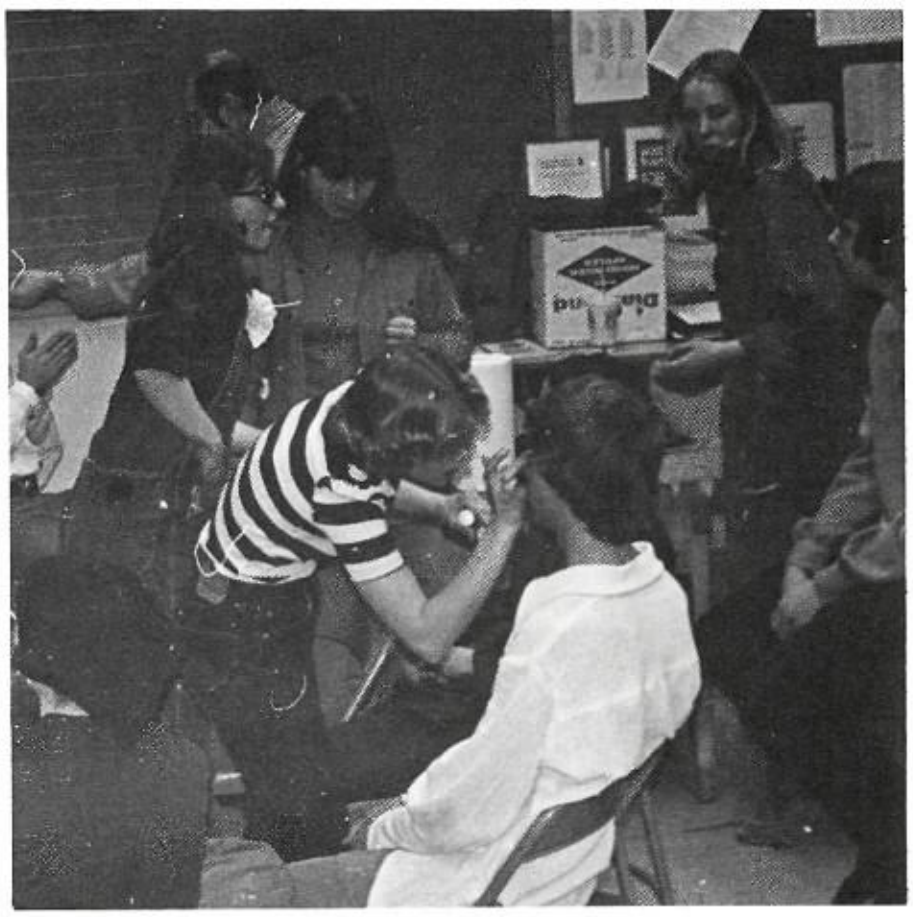
Mr. Schanker—Sponsor



The Soloquians Drama Club of Thomas Jefferson is involved in all aspects of the theatre. Some of this year's activities included two melodramas, technical projects, and trips to Bonfils. For their spring production, the Drama Club tried an innovative approach and presented two half-length plays: BLACK COMEDY and the SPIRAL STAIRCASE.

The members of International Thespian Troupe 2556 are considered to be leaders of Drama at TJ. They take on the responsibilities of directing and teaching the Harlequians about the theatre.

Harlequians, the apprentice group, presented its own play, PINOCCHIO, in December.

Dear Friends,

We hope you enjoy this year's copy of the Thomas Jefferson High School Yearbook. It is the result of many months of hard work.

However, we had many problems that we feel the Student Body should know about. The most important we think was the lack of interest in Yearbook sales; barely enough books were sold to meet our publication quota. Also, the photographs taken on the first day of school were returned to us from the photographer without names! This meant we had to organize, sort, and identify over two thousand two hundred photographs in less than two months. As you can imagine, this was quite a job. If we left your picture out, we apologize and hope you will understand.

Also, we want to thank all the people who were not on the staff and who took their time to encourage and help us. We are sorry that space does not permit listing all their names.

Peace,
1975 Thomas Jefferson Yearbook Staff

Coach Richard Golder thought that the season was interesting and productive despite three DPL losses. The losses were to Kennedy (33-7), GW (17-0), and North (15-13). TJ finished with six wins and four losses for the year. The other loss was to Northglenn (16-7). Mr. Golder was also sorry that there were quite a few injuries because this hurt the team. Kennedy won the Denver Prep League this year with TJ finishing fourth behind Kennedy, North, and GW.

The TJ sophomore football team went 6-3 this year with a 5-3 city record taking third place. Bear Creek was the non-city victory. The coaches felt that the players put in a good team effort all year. Coach Motz sums it up "It was a team that wouldn't give up. They kept coming from behind. We learned a lot even though we didn't win it all."

Gary Kresge tees off at Kennedy.

Coach Paul Epstein started the golf season with a big smile, knowing that the team had the potential to win everything this year.

TJ won the City Title with a 87-9 won-lost record, one match ahead of GW with a 86-10 record.

The City Cup team consisting of Tom English and Tom Romolo, won the "Cup" with a 147 total. The team faltered at the District Meet held at Aurora Municipal Golf Course by taking fifth place, not good enough for the State Tournament. Marty Moore qualified for "State" individually with a 76 at Districts. Moore didn't place in the State Tourney held at Patty Jewett Golf Course in Colorado Springs.

Three TJ golfers made the ALL-CITY team consisting of the top six players in the city. They were Tom English, Tom Romolo, and Steve Ryder.

The Spartan Tennis Team finished this year with the City and District Championships and a third place at the State Tourney at the Air Force Academy.

No. 1 Singles Paul Miller was first at City and Districts and fourth at State. No. 2 Singles Steve Cottrell was first at City and Districts and fourth at State. No. 3 Singles Tony Hogue was first at City and Districts and second at State.

Coach Miles was pleased with the season except for the third place finish at State.

The City champs comprised a 42-6 record and a 55 of 60 at Districts. 31 points were good for third place at the State tourney.

Outstanding doubles players this year were the teams of Brad Lozow-Jim Magee and Larry Sigman-Craig Averch.

The TJ cross country team lost only one triangular meet this year but took a disappointing sixth place in the City Meet. Mark Forsyth was the only Spartan who made the All-City team. Coach Learned thought the team didn't have enough depth to be really successful. He also felt that Mark Forsyth did an outstanding job this year.

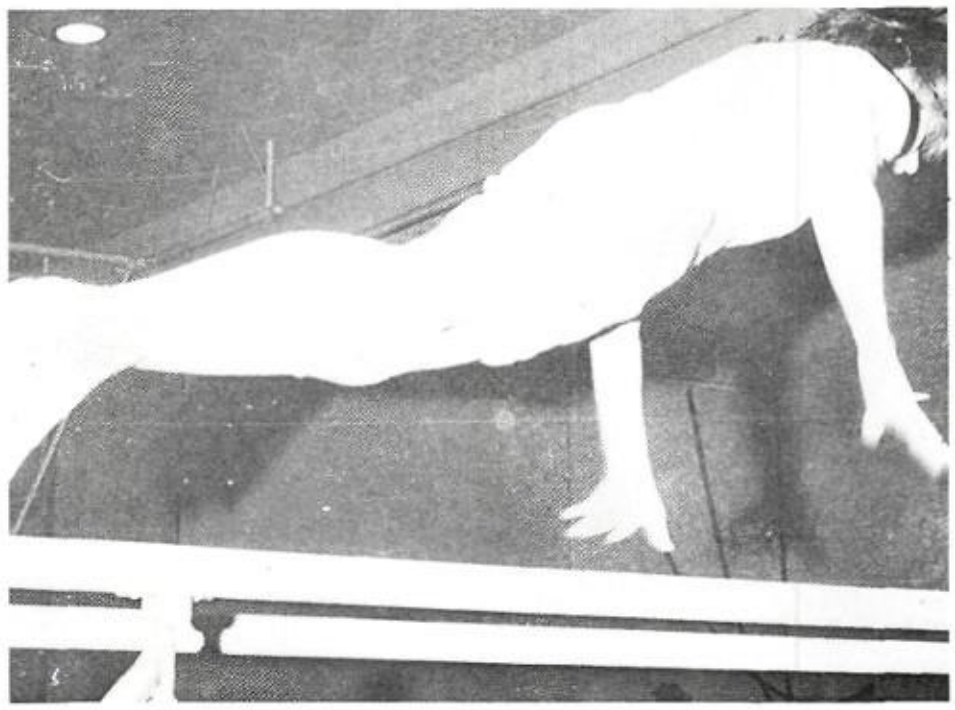
Gymnastics



Jamie Humphrey appears weightless as he works out on the parallel bars.

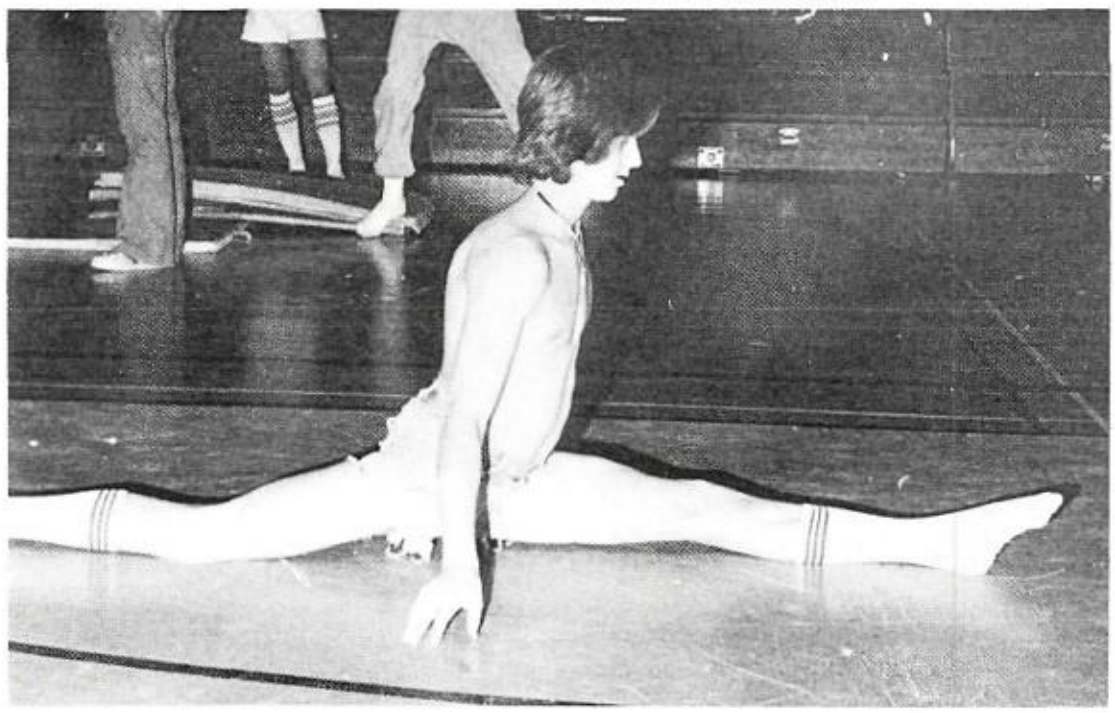
Coach Jerry Smith through the years has been an outstanding gymnastics coach. He has shown what he can do by producing excellent teams year after year. This year was no exception. The T.J. gymnastics team enjoyed another very successful year. Coach Smith was very pleased with the performance of his athletes this year.



Thank God for smooth mats!

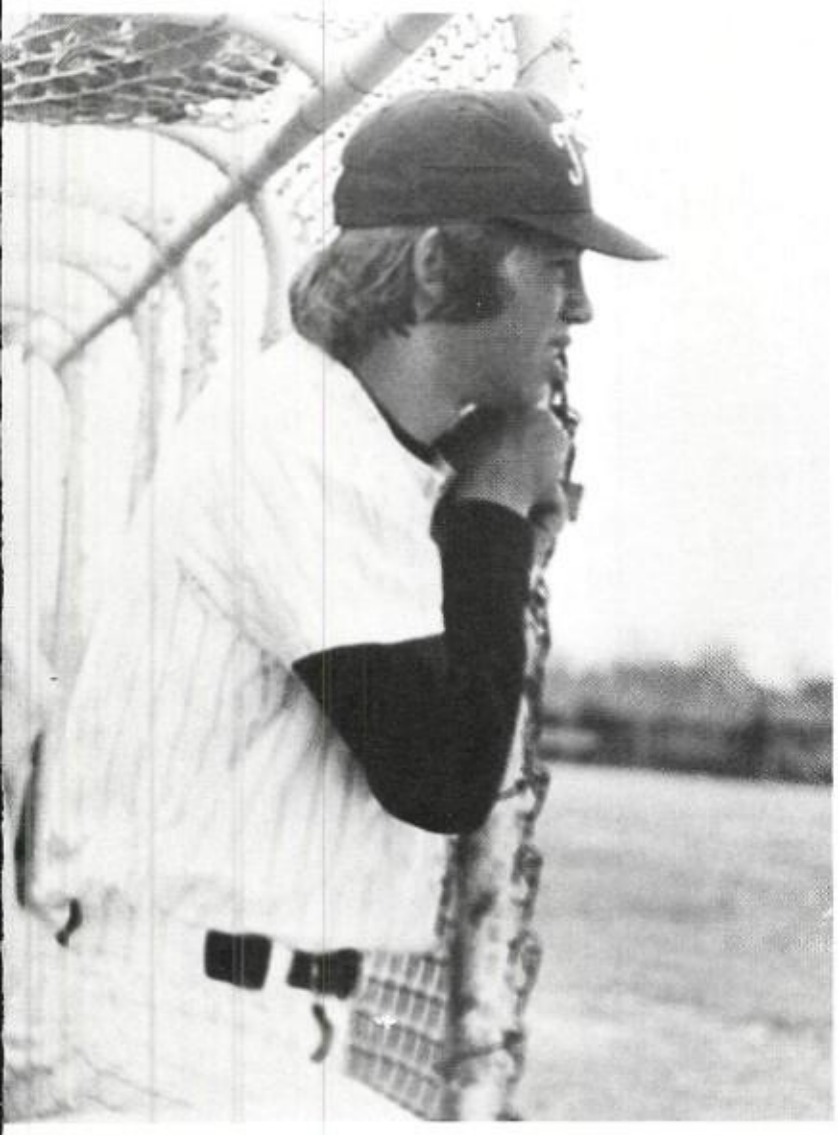
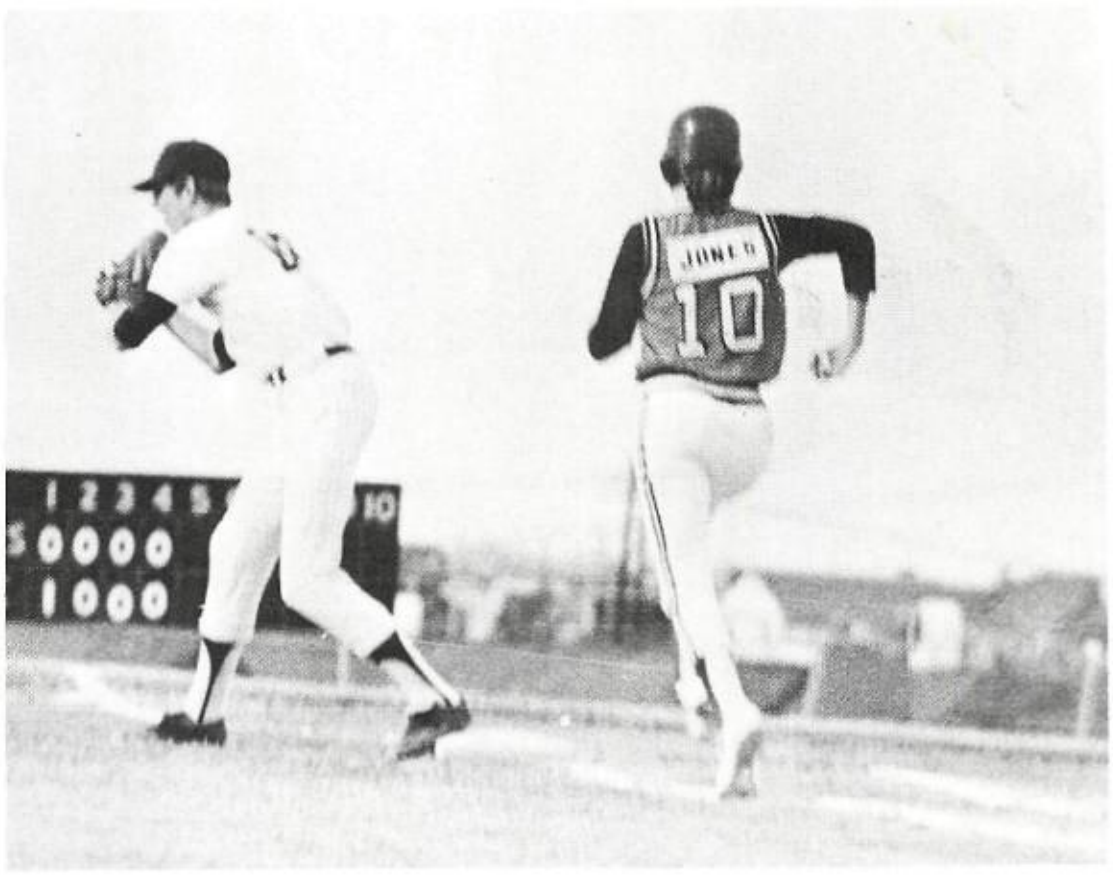
Baseball





Due to early deadline for yearbook copy, baseball is traditionally covered this year for the preceding year's season. Weather was a deciding factor in last year's baseball season and prediction of a better spring in 1974-75 was a hazardous guess. A good number of baseball hopefuls reported for opening season in March. Traditionally, TJ baseballers have been strong challengers for city and state titles.

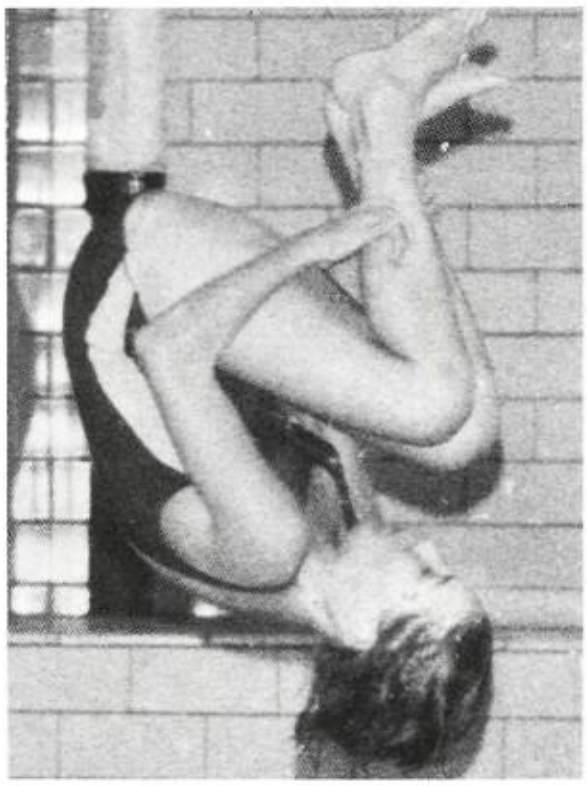
Kim Kaminski is ready to win.

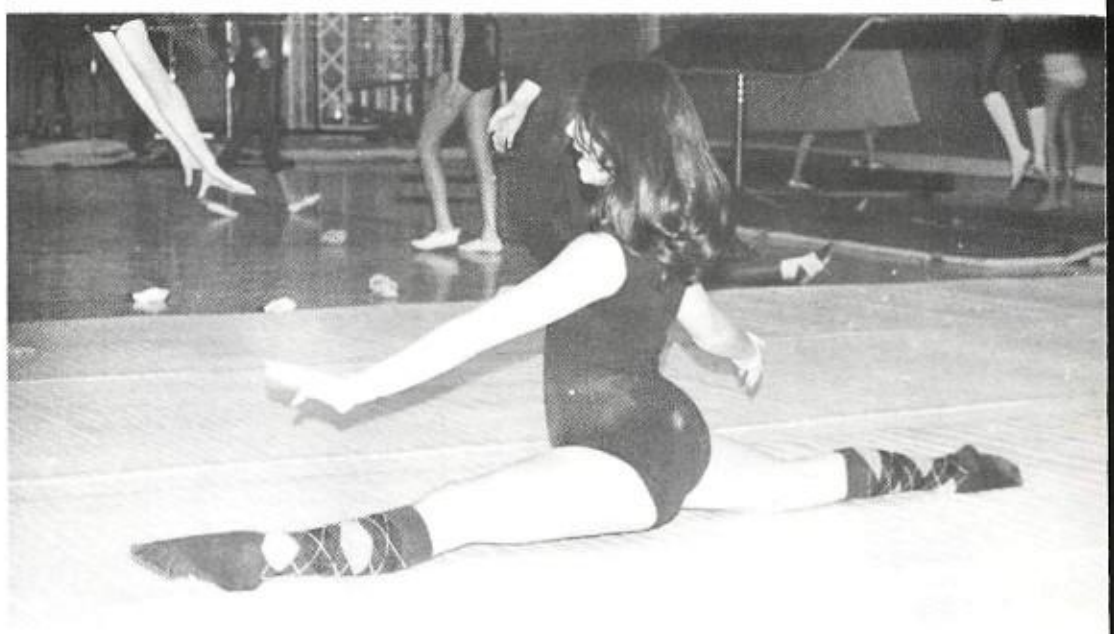


The flip isn't a flop.

This year's Girls' Swim Team started the year out the same as previous years. However, they weren't aware that all of their hard work and practice would result in turning out one of the best swim teams in TJ's time. Under the fine and hard coaching of Ms. Jan White, they swam their way through many victories. They practiced hard every afternoon to turn out a 3rd place A team and a 1st place B team.

The team all swam as a team, however, they had fantastic swimmers like Sharon Kurz, Sue Rishel, and Betsie Boland to help them pull ou ahead. They finished their season with high scores and lots of practice, but most of them replied it was more fun than work.

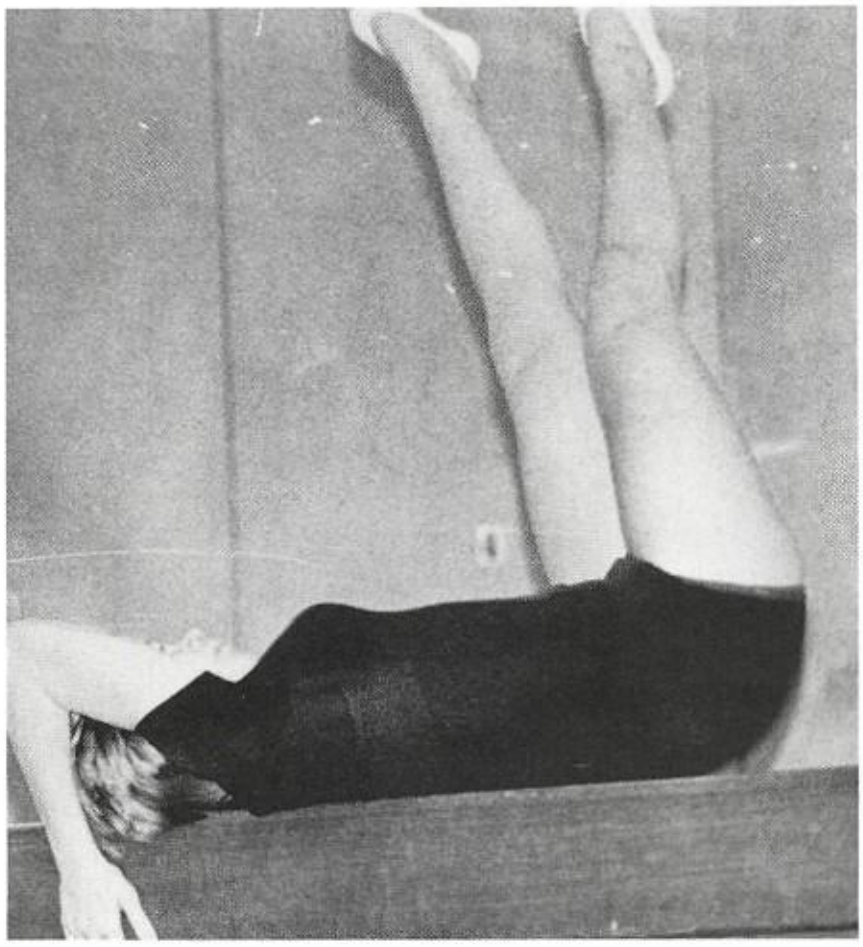
Girls' Gymnastics



Martha Marshall's splits are perfected.

Once again TJ's Girls' Gymnastics Team tumbled and swung their way past many opposing teams, and placed themselves fifth in the city championship. They finished with four wins and one loss in the Denver triangular meets, which easily put many competitors in the city meet. Many hours of practice and the super coaching of Ms. Shirley Brown resulted in not only many victories but a lot of fun also.

Leading the team with her fantastic all-around scores was Cindy Young, with Brenda Major on beam and vault and Karen Zeller on free exercise and vault holding the team together and pushing their way through to the top. Many other promising gymnasts that will help hold next years team together are Lynn Rogers, Sara McGee, Roberta Bergan, Martha Marshall, and Mary Ruh. These girls all came together to form a display of perfect form and true devotion to the Spartan name.



Gymnast displays her talent on the beam.

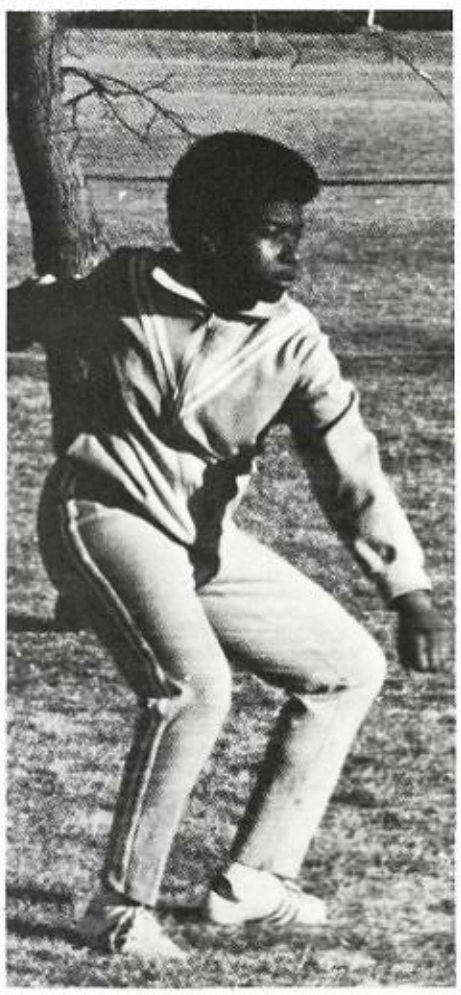
Girls' Track began practice early by racing through the halls of TJ as a conditioning exercise. A spring sport under coaching of Miss Brown, the team held high hopes for a successful season.



The Major Sports Of 1974-1975

BASKETBALL—As of February 28, the deadline for the yearbook, Indiana was on top of the college basketball world with UCLA and Louisville close behind.

In the Big-8, Kansas and K-State were leading with Missouri and Nebraska tied at third. Colorado was seventh with Iowa State in the cellar.

In the NBA, Boston (defending champs), Washington, Chicago, and Golden State were leading their divisions.

New York was leading the Eastern Division of the ABA while the Denver Nuggets were on top of the Western Division by eleven games.

FOOTBALL—Probably the biggest game of the year was the Notre Dame—USC game in L.A. USC was behind 24-0 in the second quarter and at the half it was 24-6. USC then came alive with seven TD's and all together 55 points in just under 17 minutes. Final score: USC 55, Notre Dame 24.

Alabama was numero uno most of the year until New Years night when Notre Dame, playing their last game for Ara Parseghian, beat the Tide 13-11. That same day USC upset No. 2 Ohio State 18-17 and USC climbed to the top and won the National Championship.

In other bowl games Penn State walloped Baylor in the Cotton Bowl, not occupied by Texas for the first time in years. Nebraska just got by Florida in the Sugar Bowl. Nebraska now has five consecutive bowl victories, a record.

This does not include Oklahoma, suspended from UPI balloting, who was No. 1 in the Associated Press poll all year.

In the NFL, Minnesota made it three in a row, losing the Super Bowl for the third time in as many tries. This time it was to Pittsburgh 16-6.

The NFL leading ground gainer was Otis Armstrong, running back for the Broncos.

BOXING—Muhammad Ali defeated World Champion George Foreman in Kinshasa, Zaire on a steamy November morning. Ali had been the World Champion previously before losing it when he refused to serve in the Armed Forces. Ali knocked out Foreman in eight rounds.

GOLF—Johnny Miller dominated the PGA tour in 1974, winning eight tournaments and $353,000. Miller won the first three tournaments of the year and $87,000 by January 20.

In 1975 Miller won three of the first four tournaments of the year.

The U.S. Open Championship was won by Hale Irwin, a former football defensive back and NCAA champion golfer from the University of Colorado.

In college golf, Wake Forest won the team title in 1974, and Curtis Strange won the individual title.

BASEBALL—Hank Aaron hit his 715th home run on April 8, 1974. Aaron surpassed Babe Ruth's record of 714 which had stood since Ruth retired in 1935.

Lou Brock, a St. Louis Cardinal, broke Maury Wills record of 104 stolen bases in a season during 1974.

In the World Series, the Oakland "A"s won three of four games from the Los Angeles Dodgers. With that Series win, Oakland made it three straight World Series championships.

Oakland pitcher Catfish Hunter signed a five year contract with the New York Yankees after the Series for 3.7 million dollars.

In HOCKEY, the Spurs were five points behind Salt Lake in the North Division while Dallas led the South Division of the Western Hockey League.

In the NHL, Philadelphia (Stanley Cup winners), Vancouver, Montreal, and Buffalo were leading theri respective divisions.

On September 8, 1974, Evel Knievel attempted to jump the Snake River Canyon near Twin Falls, Idaho in a specially prepared "skycycle". His parachute opened prematurely, and he floated down to the bottom of the canyon, unhurt and a few million dollars richer.

We've hit the major sports on these pages, some are incomplete and some may be of no interest to you. But ten years from now when you look through this book and read through these pages and this section, you should have a pretty good idea of what happened in the world of sports during 1974-75.

Homecoming 1974

Pep rallies, Hall decorations, Sock and Hat Day . . . All attributed to the great spirit shown by the Spartans during the game and dance.

The dance was held in the well-decorated gym, with the bands Asphalt Jungle and Roundtree. Bonita Coleman was crowned as Homecoming Queen. The dance continued with the song, "You are the Sunshine of my Life". As the dance came to a close, Spartans ended a perfect homecoming 1974.

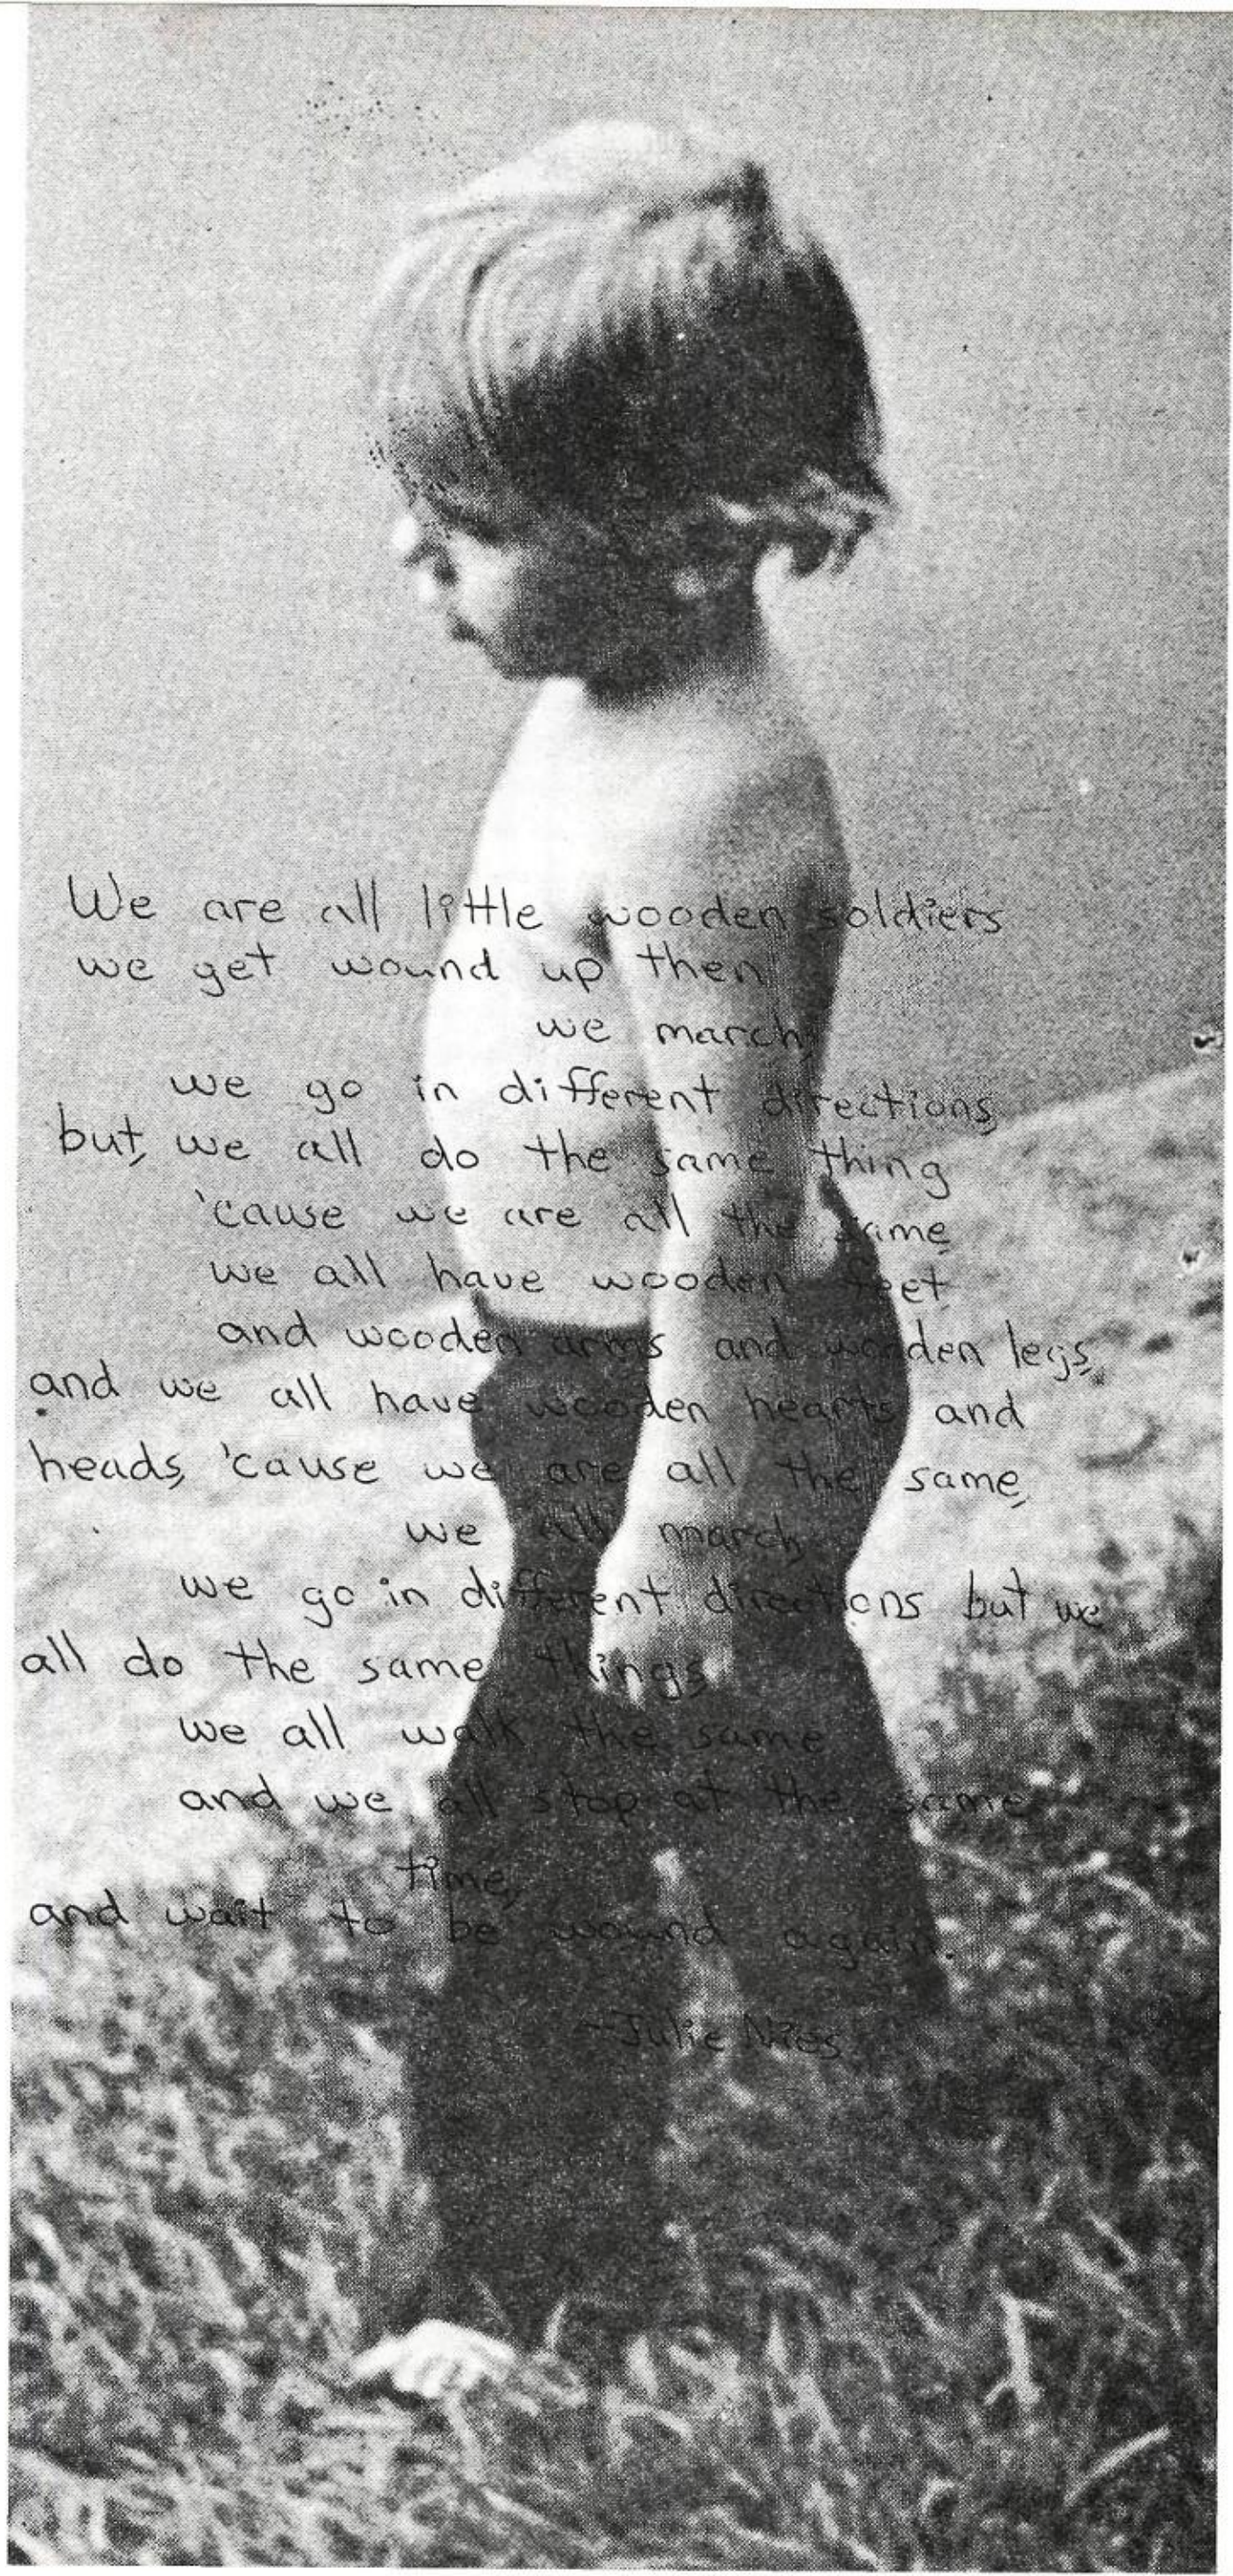
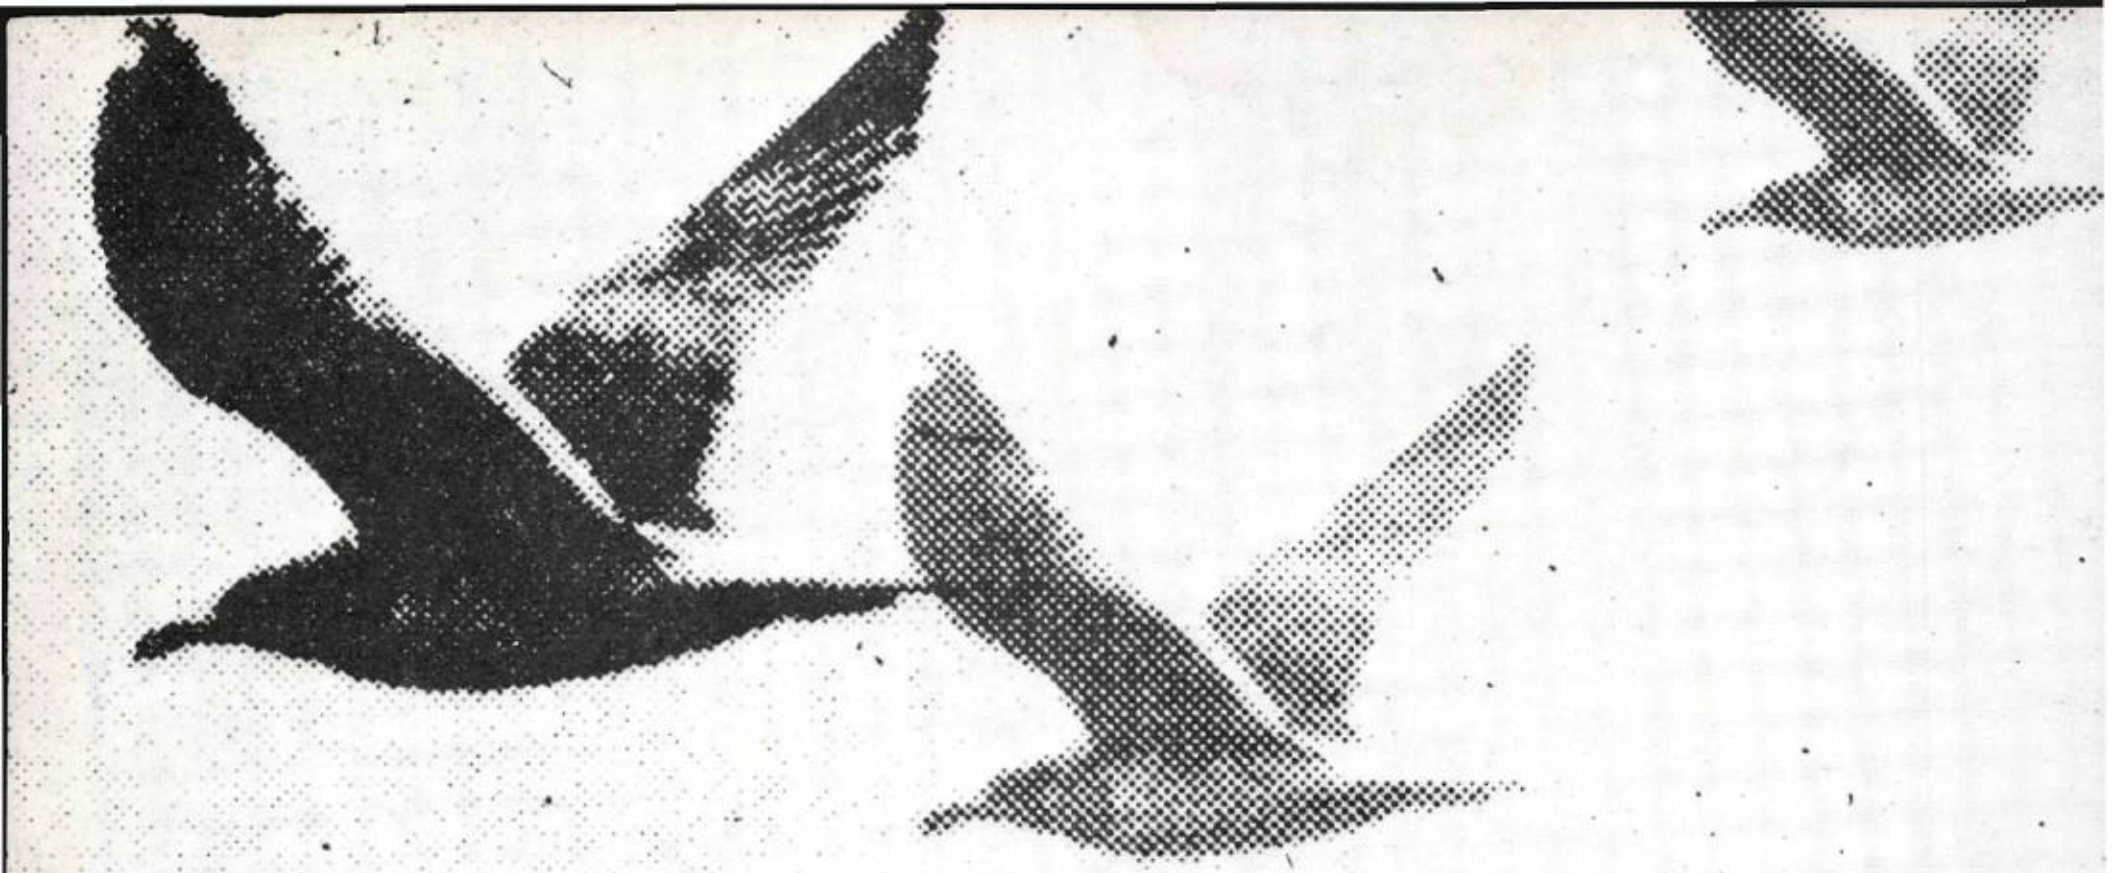
Free Yourself

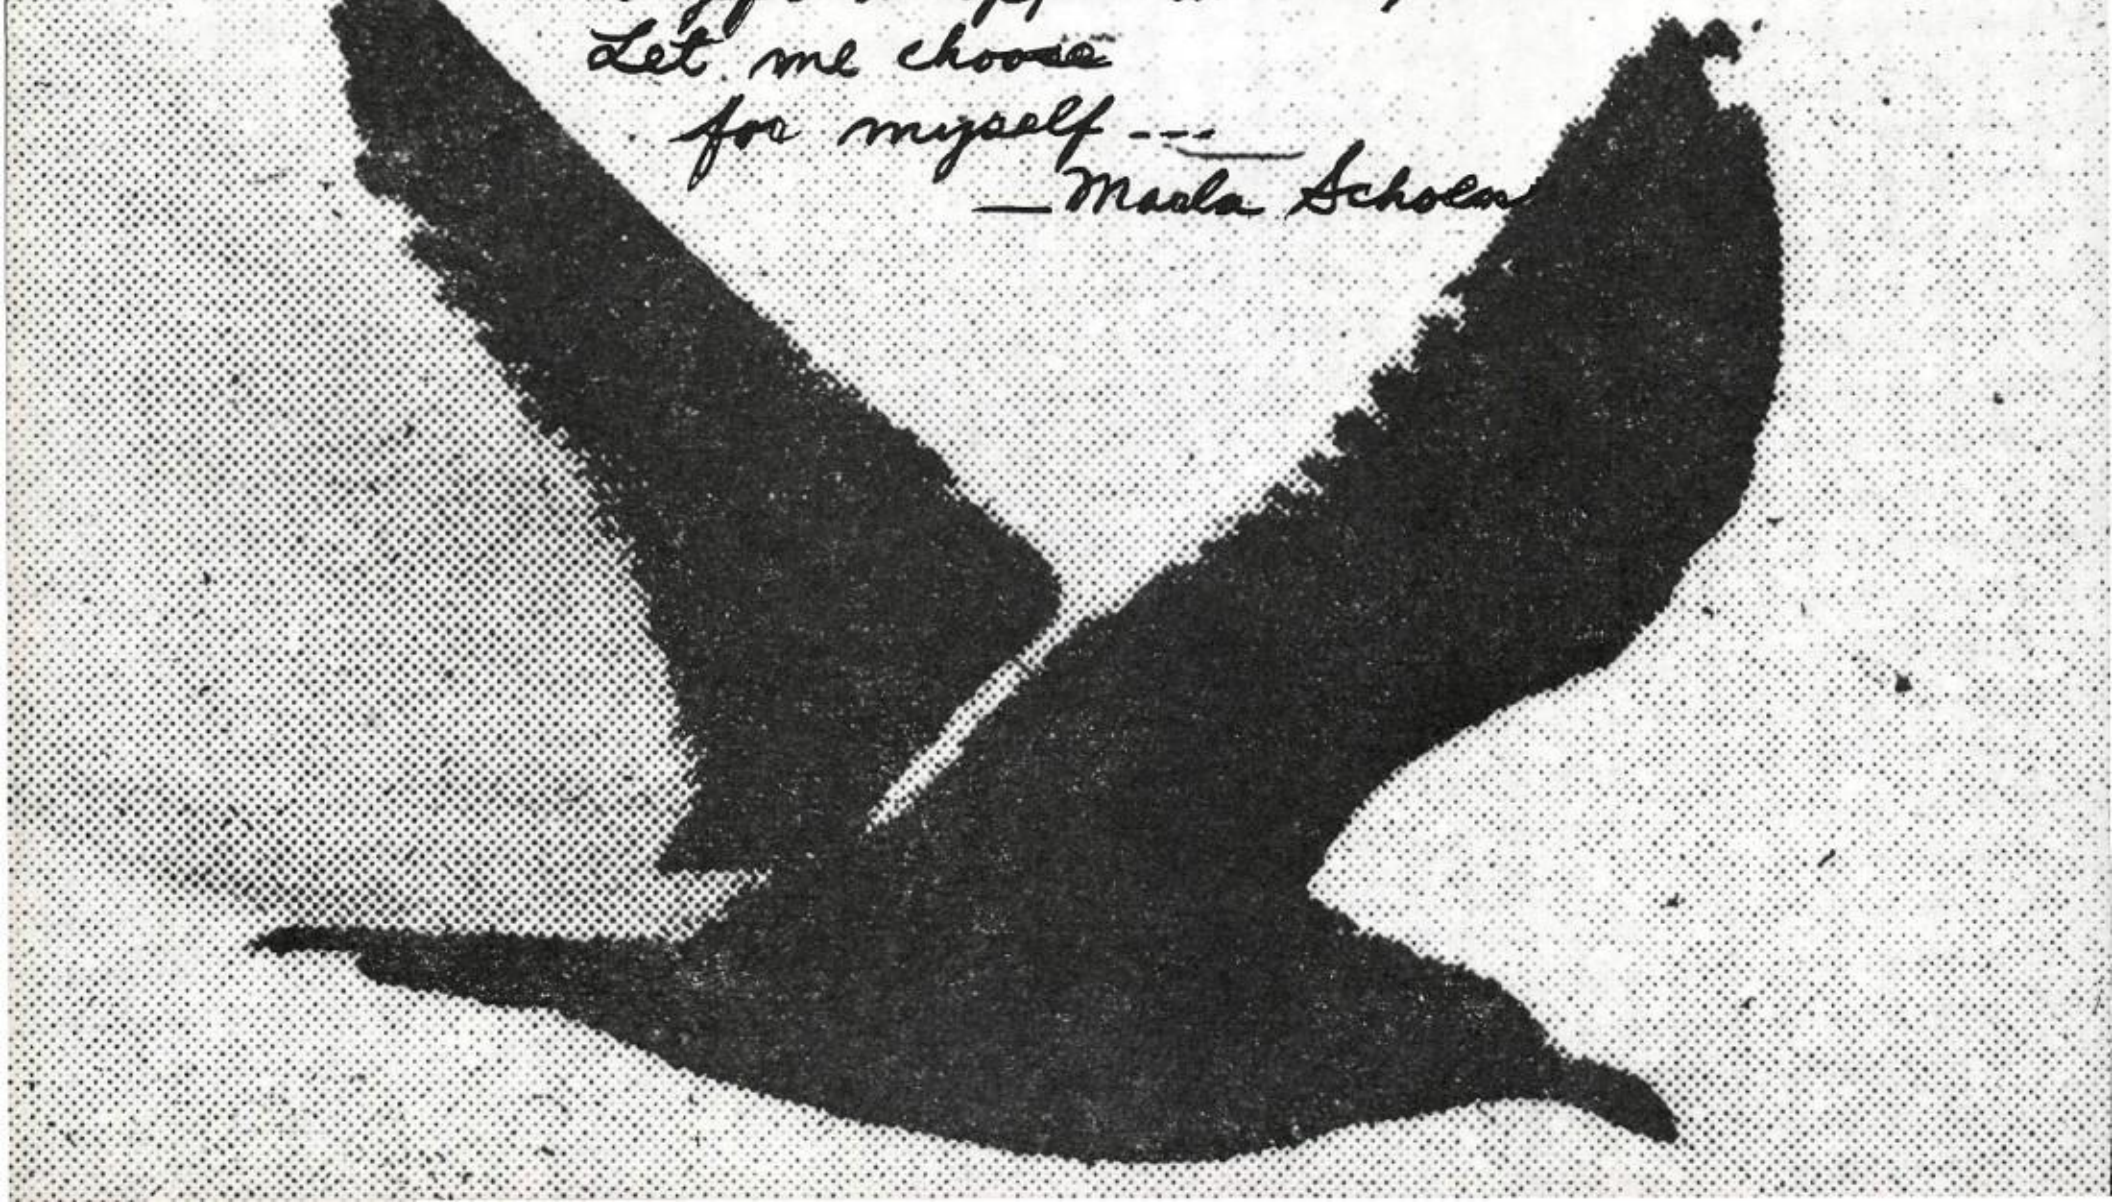


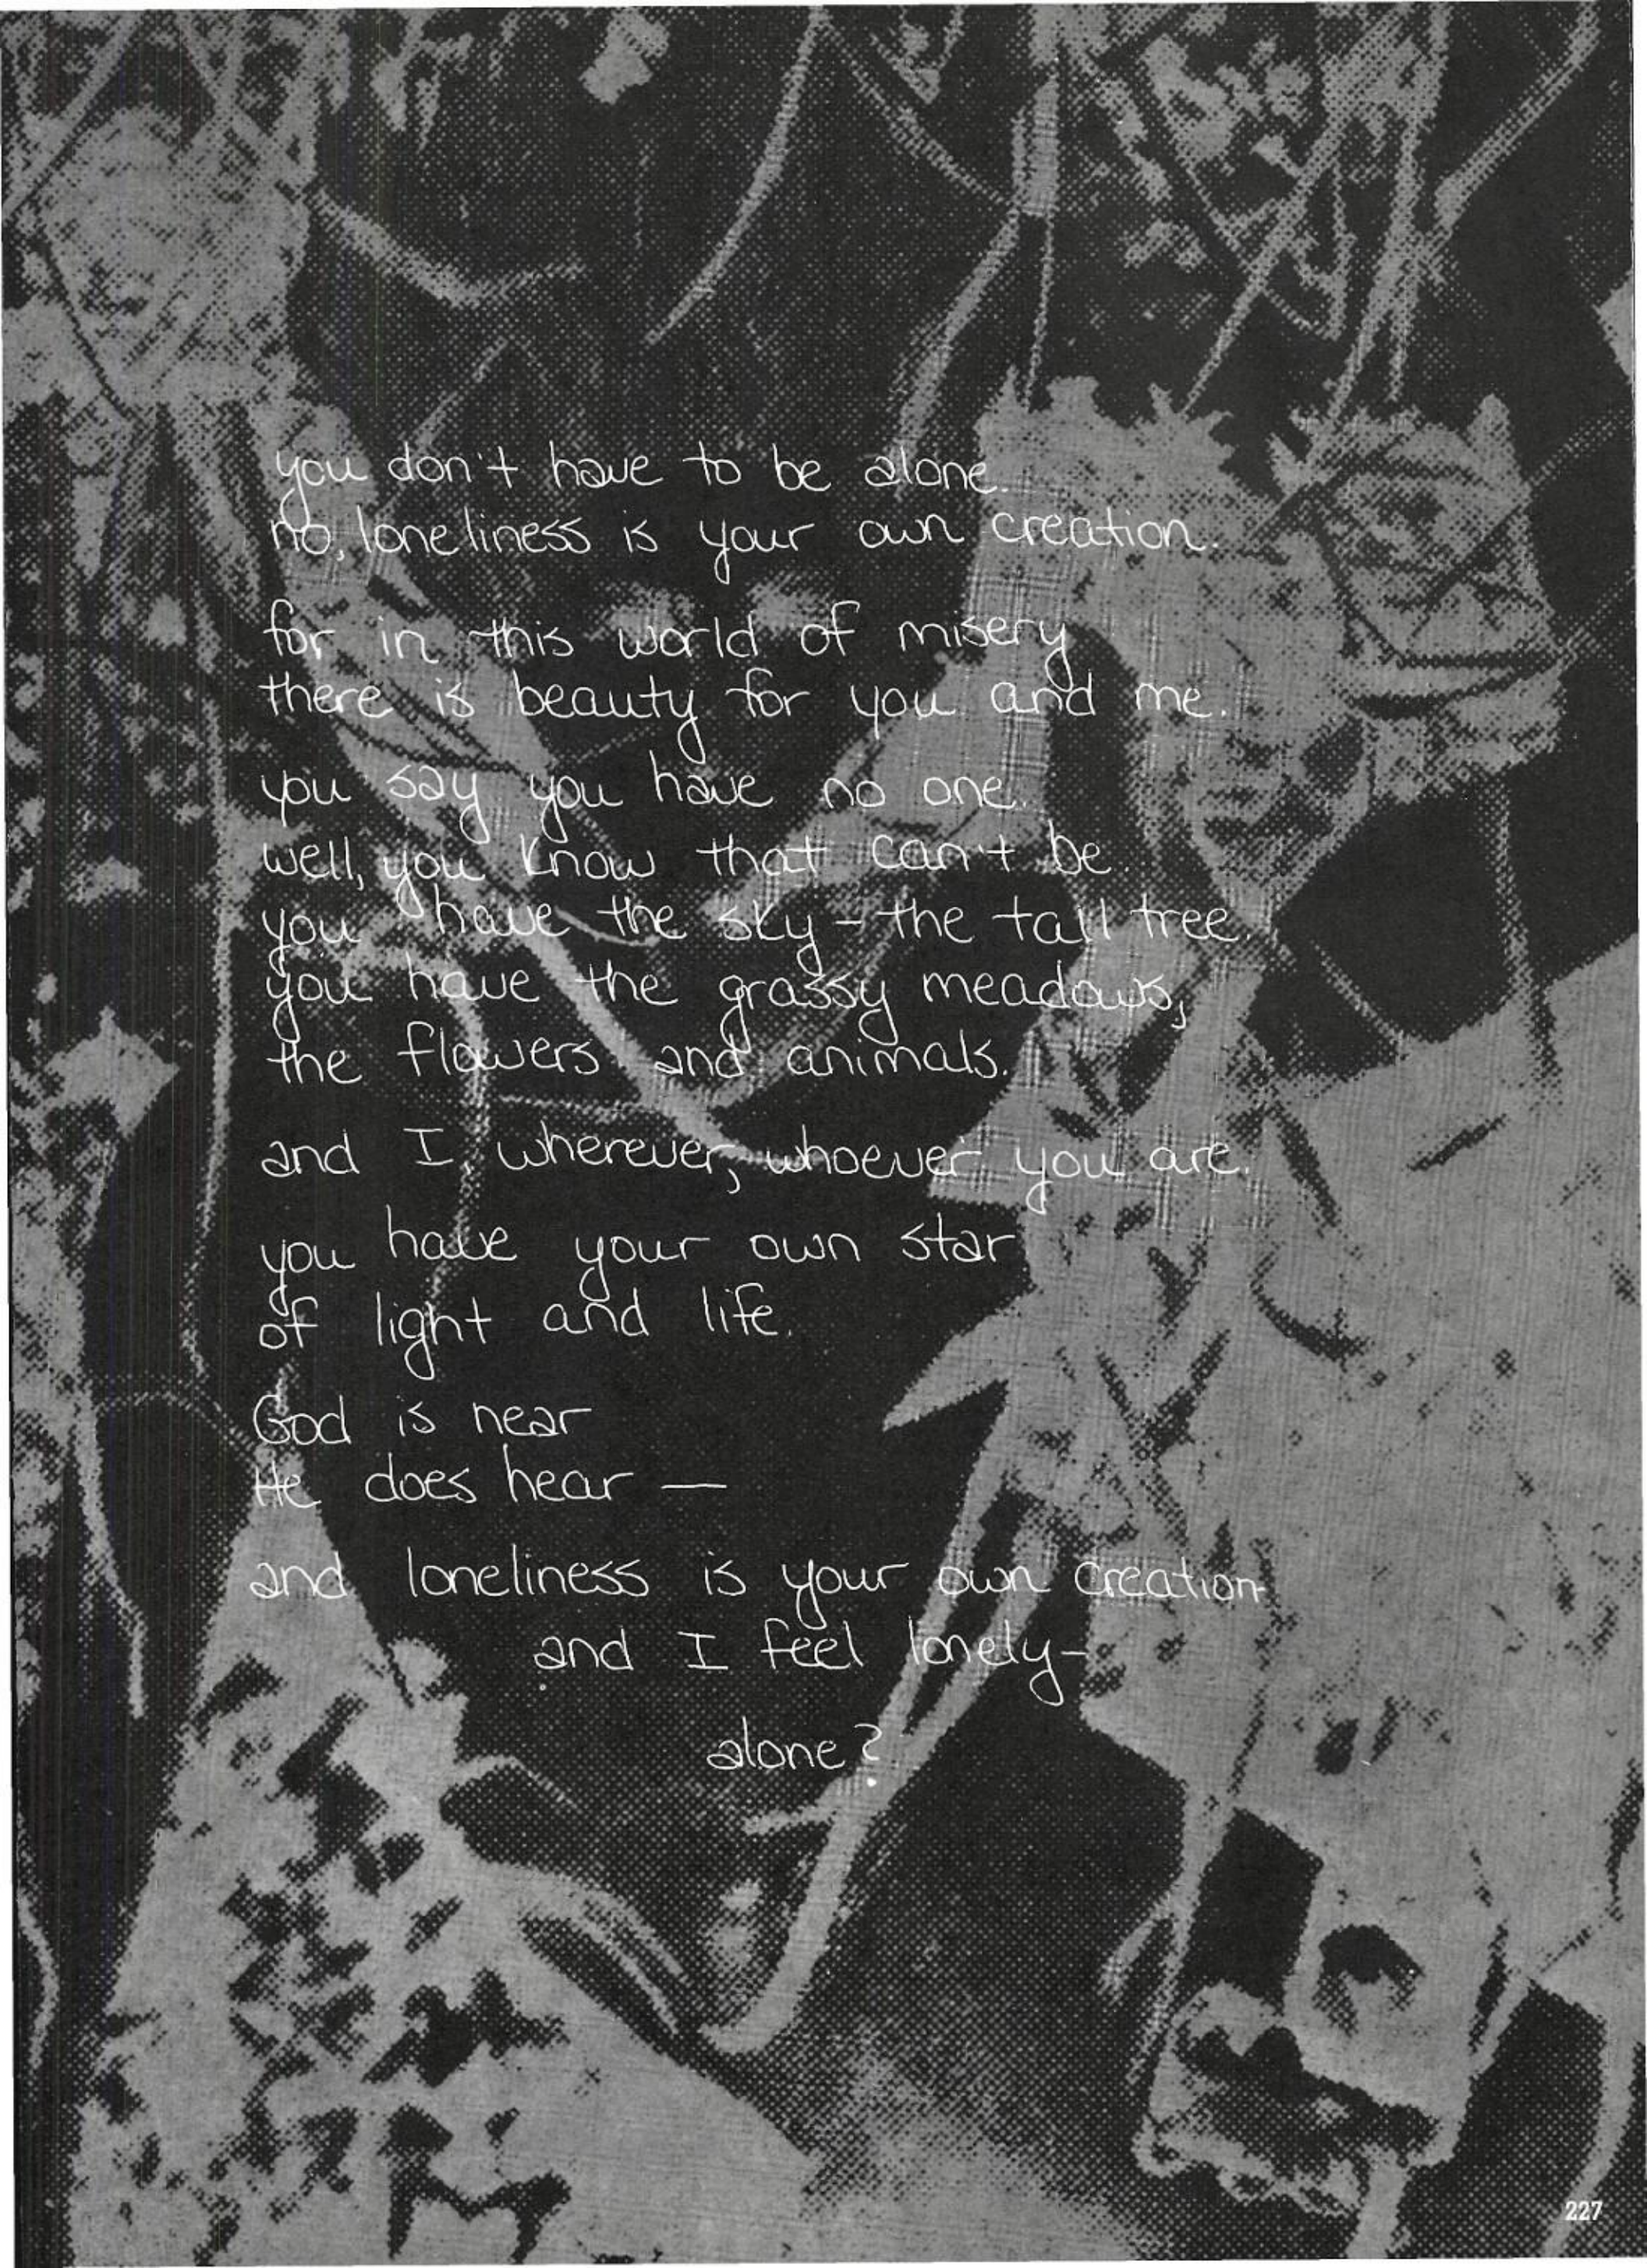
We are all little wooden soldiers
we get wound up then
we march,
we go in different directions
but we all do the same thing
'cause we are all the same
we all have wooden feet
and wooden arms and wooden legs
and we all have wooden hearts and
heads 'cause we are all the same
we all march,
we go in different directions but we
all do the same things
we all walk the same
and we all stop at the same
time
and wait to be wound again.
-Julie Nies



Do not see me
for what I can be;
Accept me for what I am.
Open your eyes
and see the sunrise
over the mountains
and the houses
and the streets---
And do not hand me
a gift-wrapped world;
Let me choose
for myself---

—Maela Scholer





you don't have to be alone.
no, loneliness is your own creation.
for in this world of misery
there is beauty for you and me.
you say you have no one.
well, you know that can't be.
you have the sky - the tall tree.
you have the grassy meadows,
the flowers and animals.
and I, wherever, whoever you are.
you have your own star
of light and life.
God is near
He does hear —
and loneliness is your own creation
and I feel lonely -
alone?

Jay,
I'll have to catch
you this summer and we'll
play a little golf - it or
with the chicks (N/a. N/a. I.D.)
set you up if you need some
help cause I am Cassanova
not really. Have a good summer!

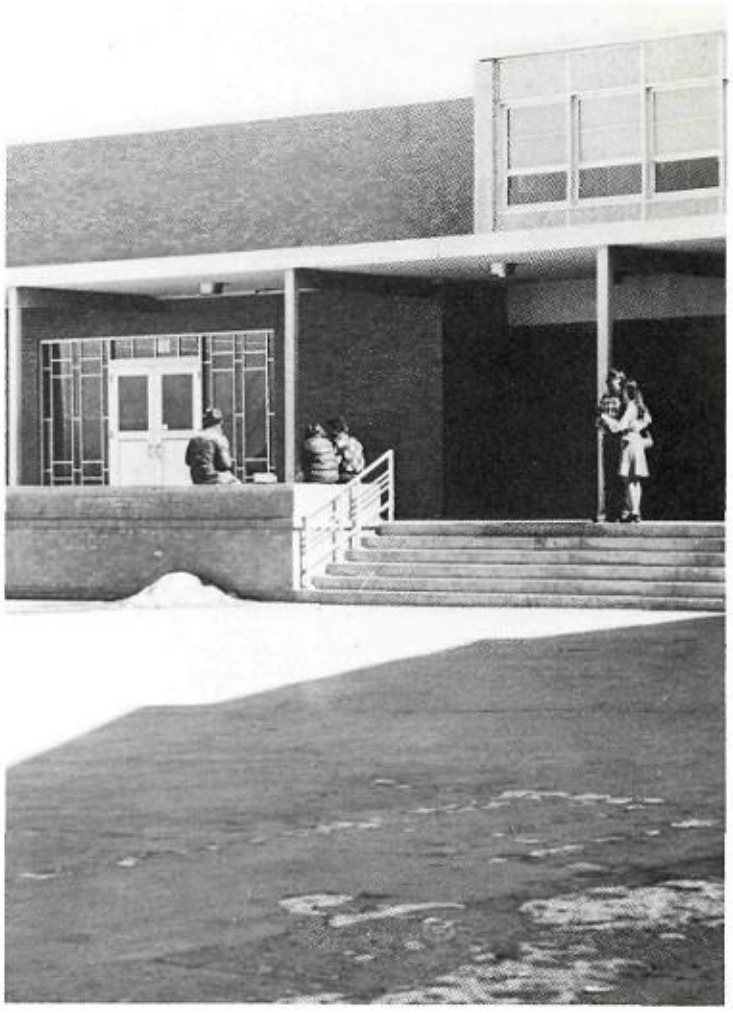
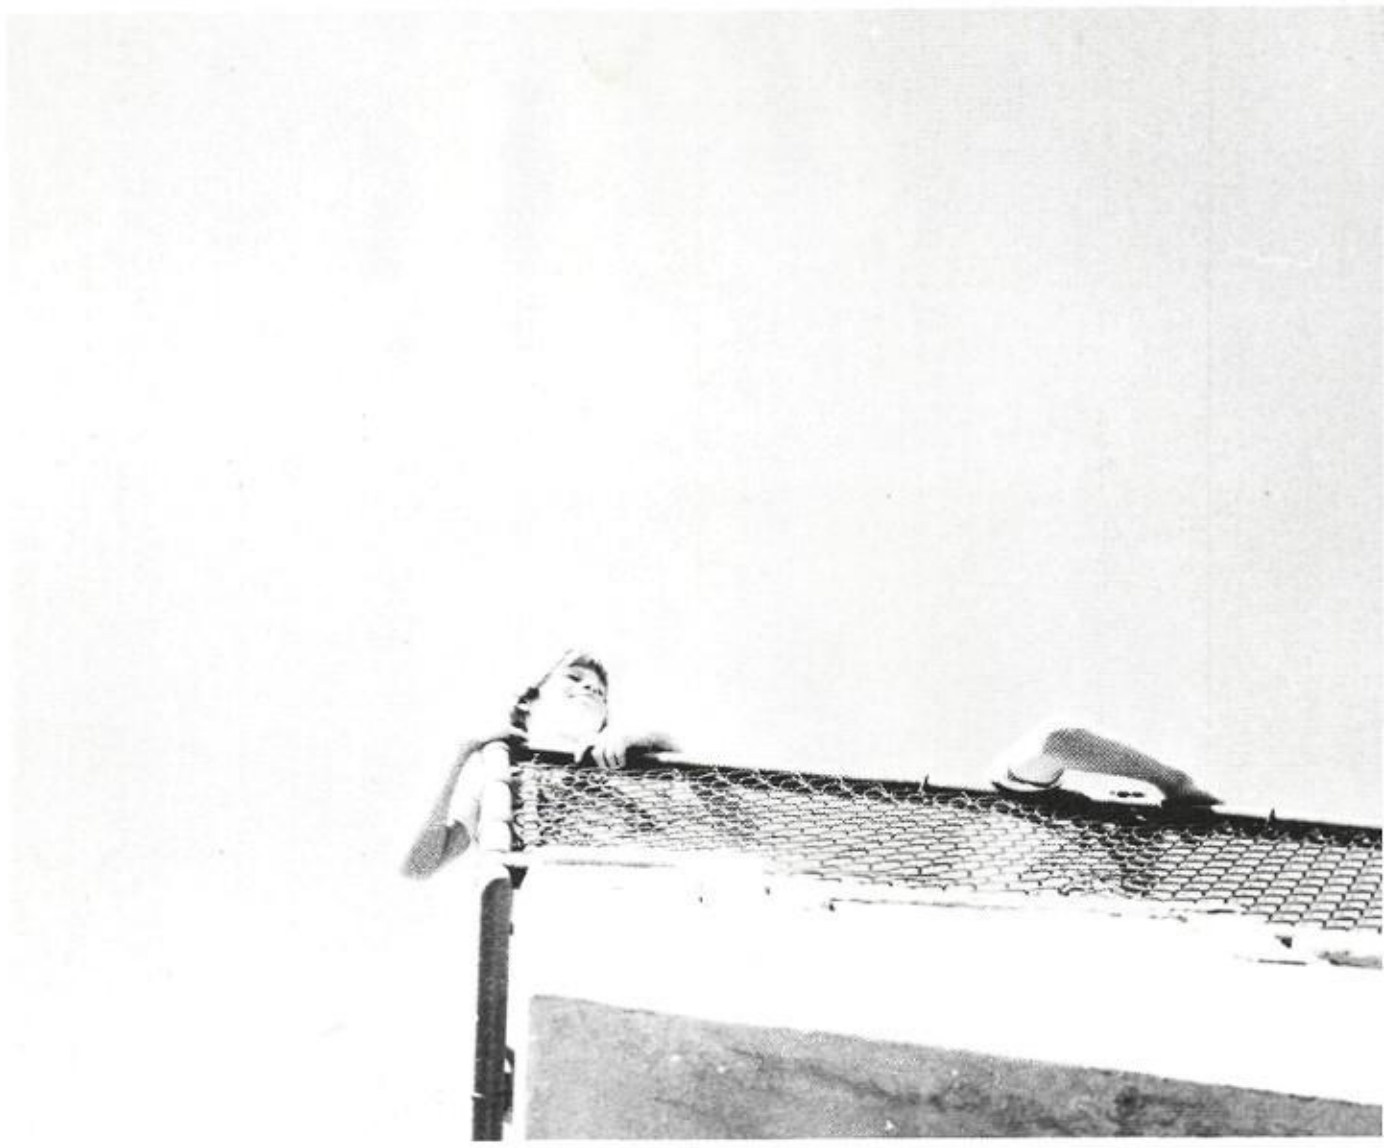
THOMAS JEFFERSON

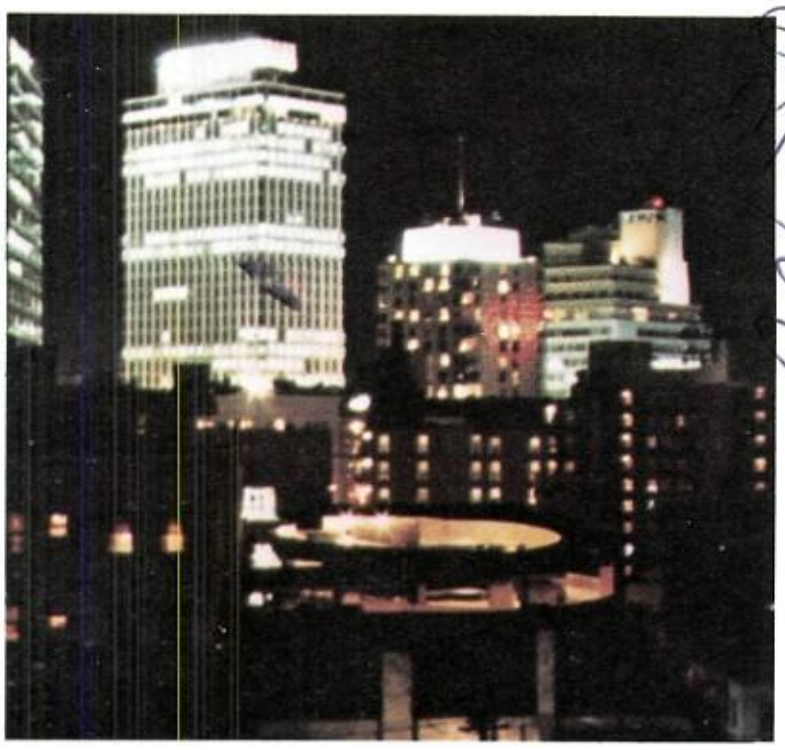


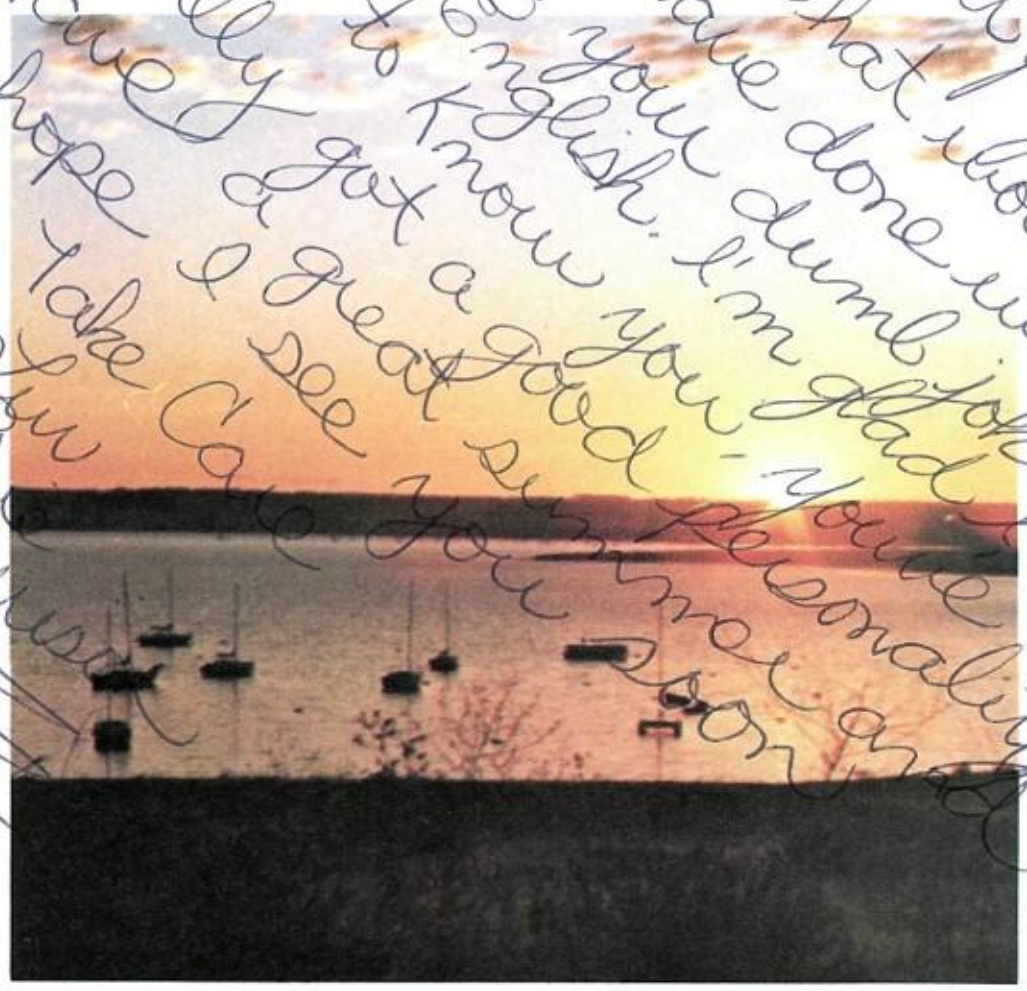


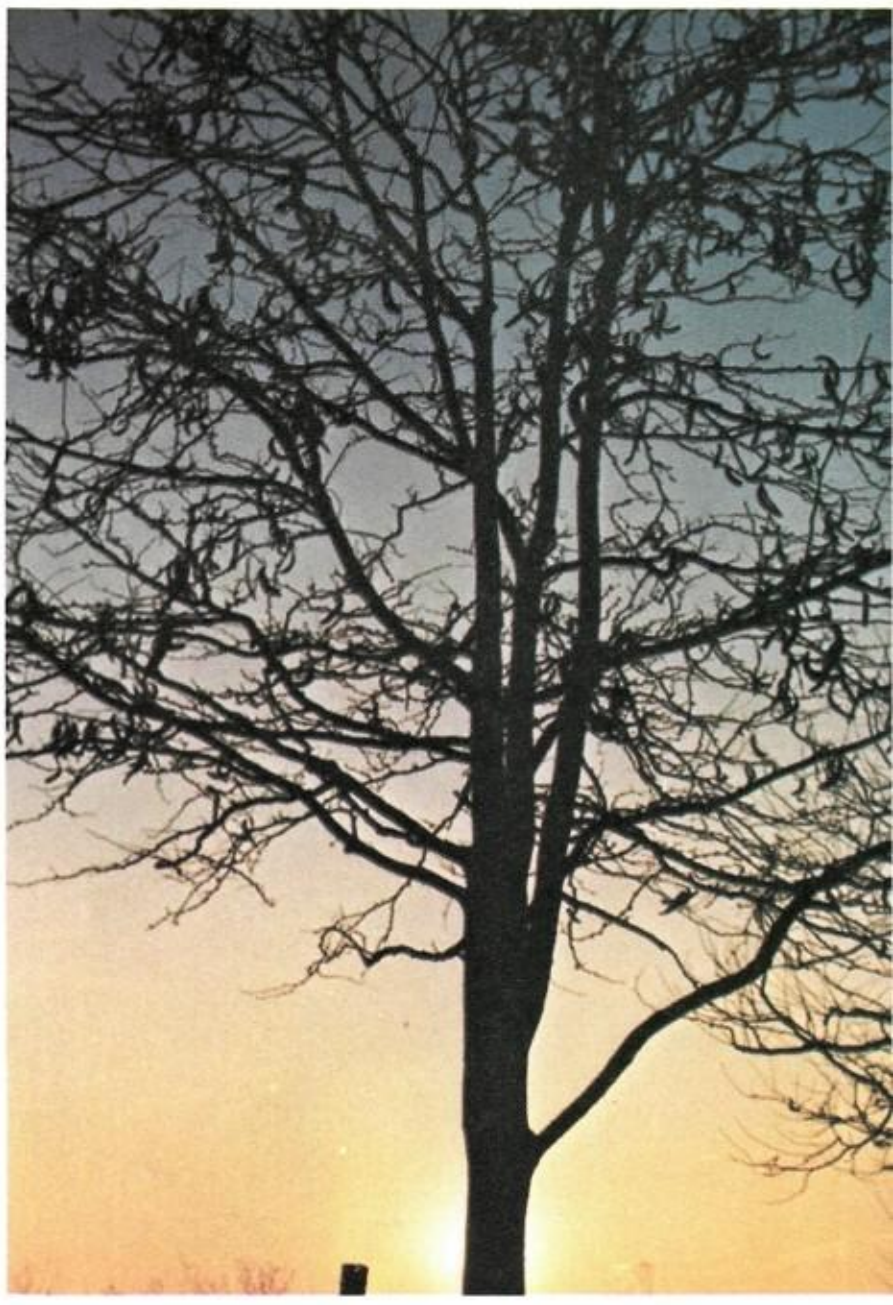
As there is a silent beauty

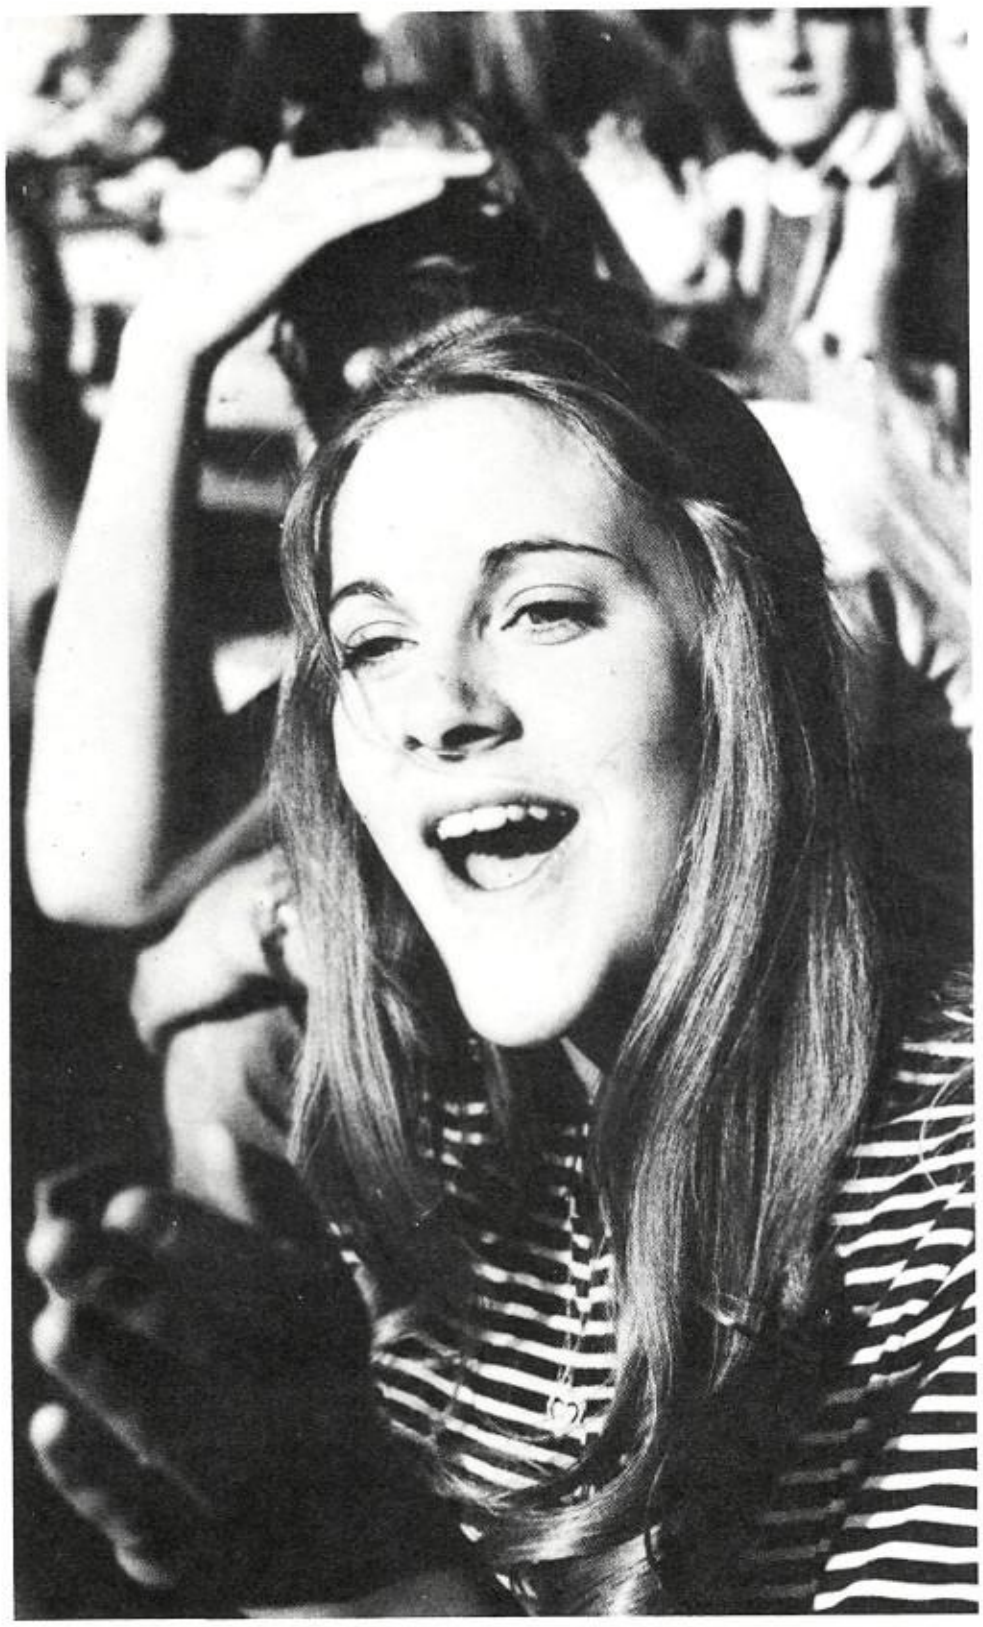
in the new dawn, so is there in

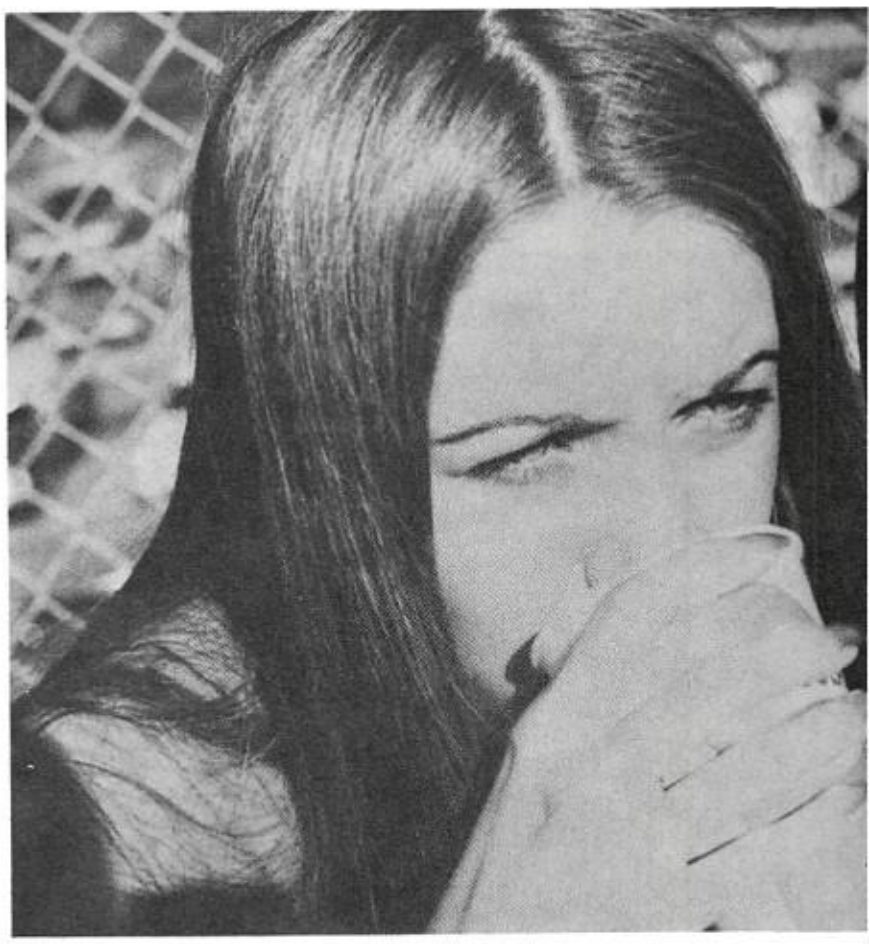
the setting sun.



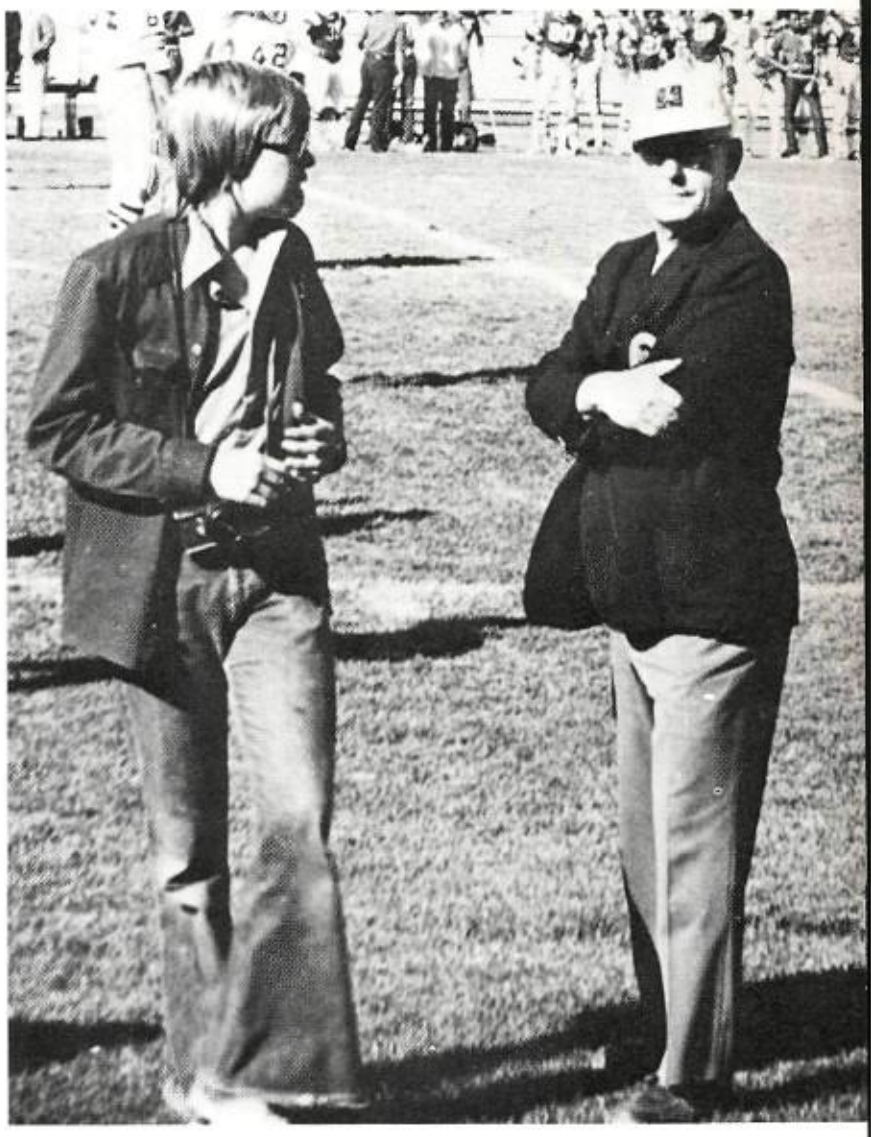


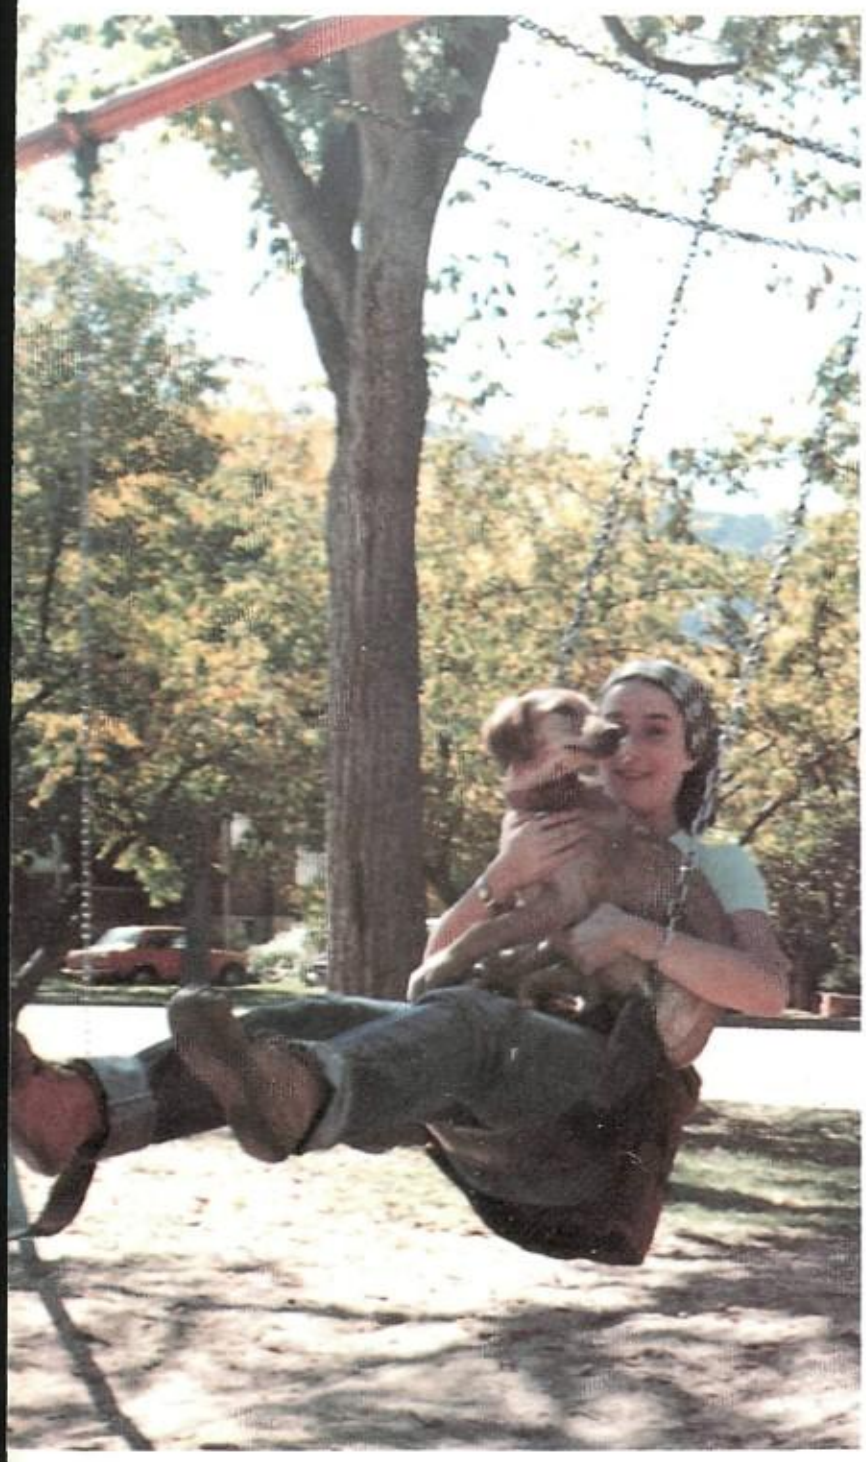




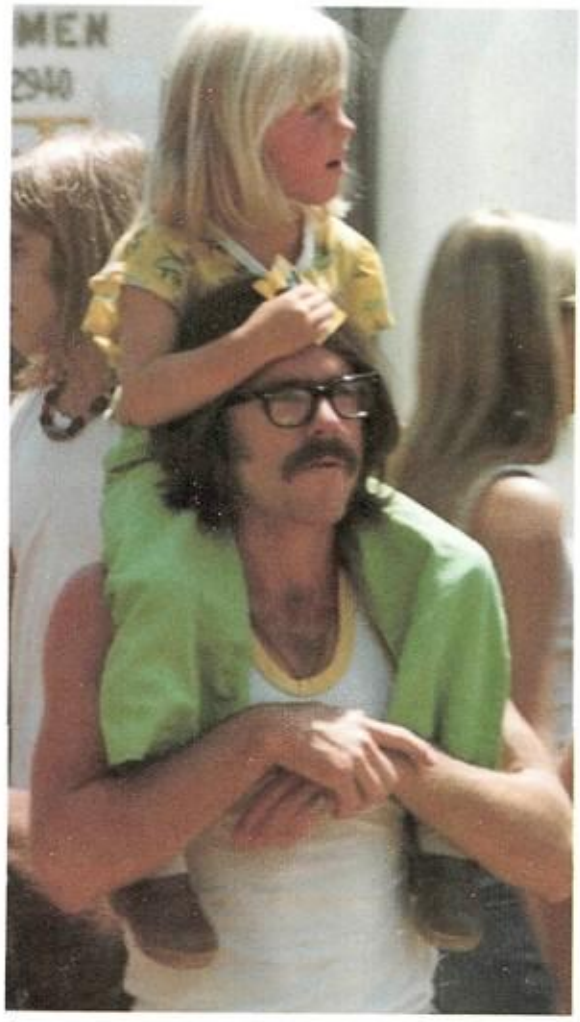


revealing infinite stars and limitless dreams of a searching youth.

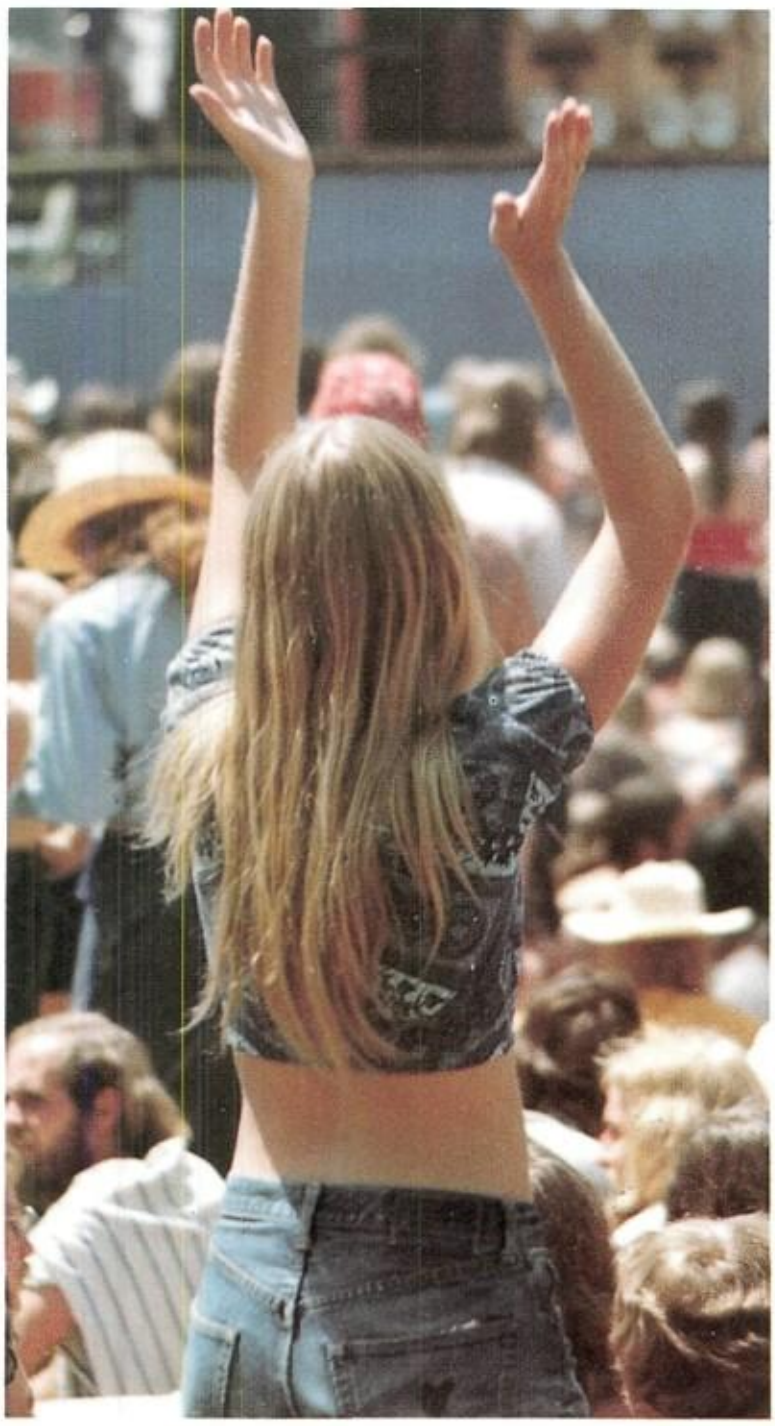


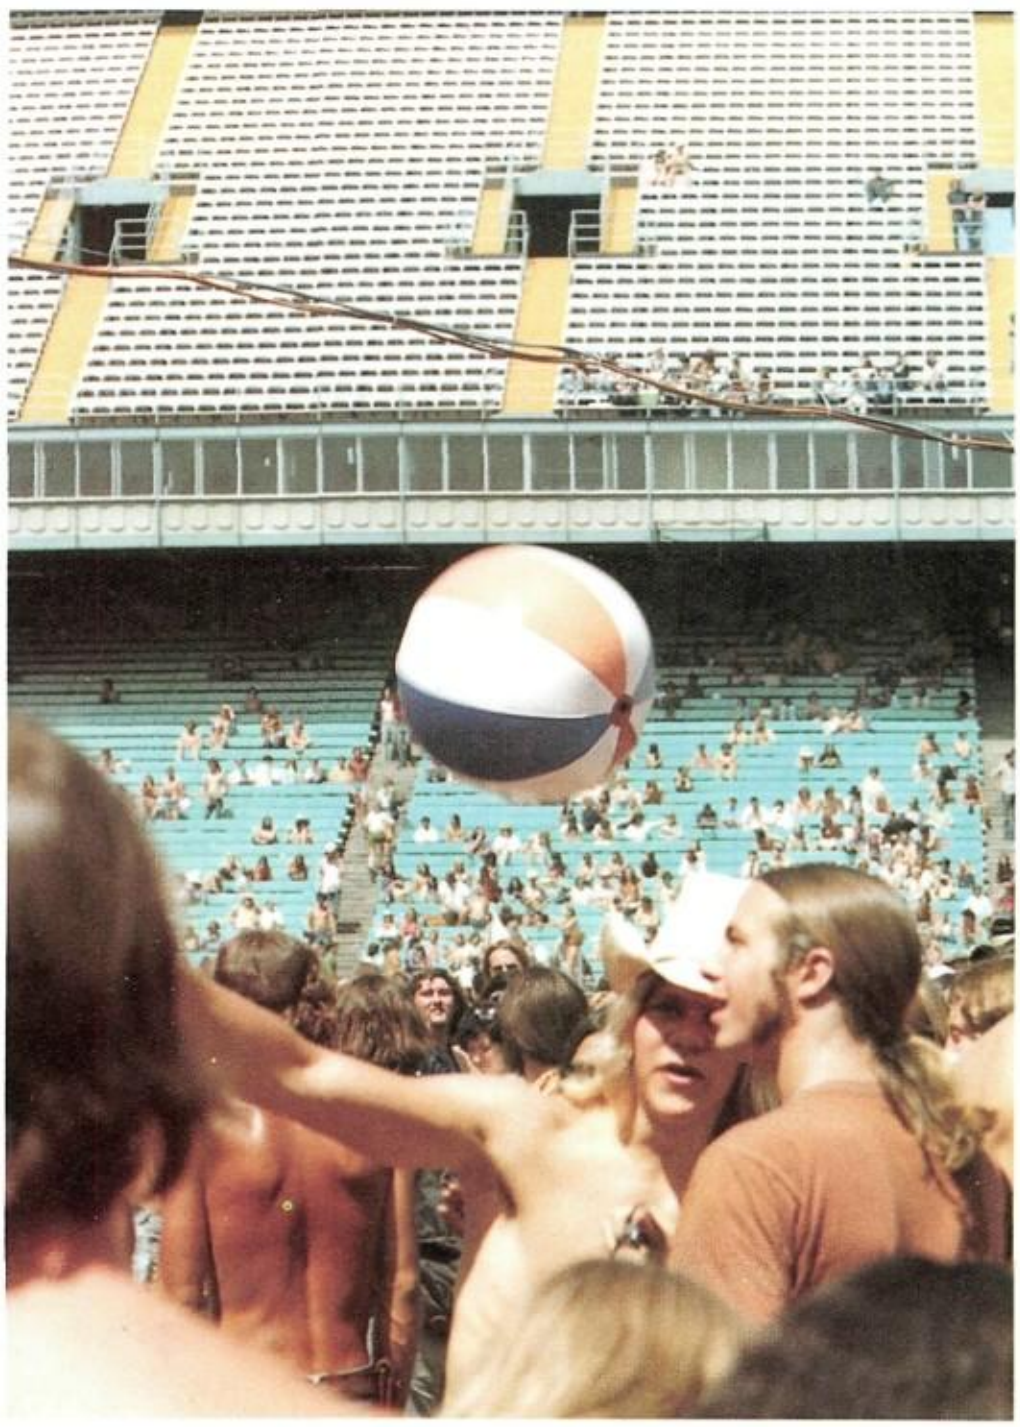


as yesterday beheld the illusions of your innocence, so today does behold your newly born visions, enlightened by the knowledge that experience shone upon you.

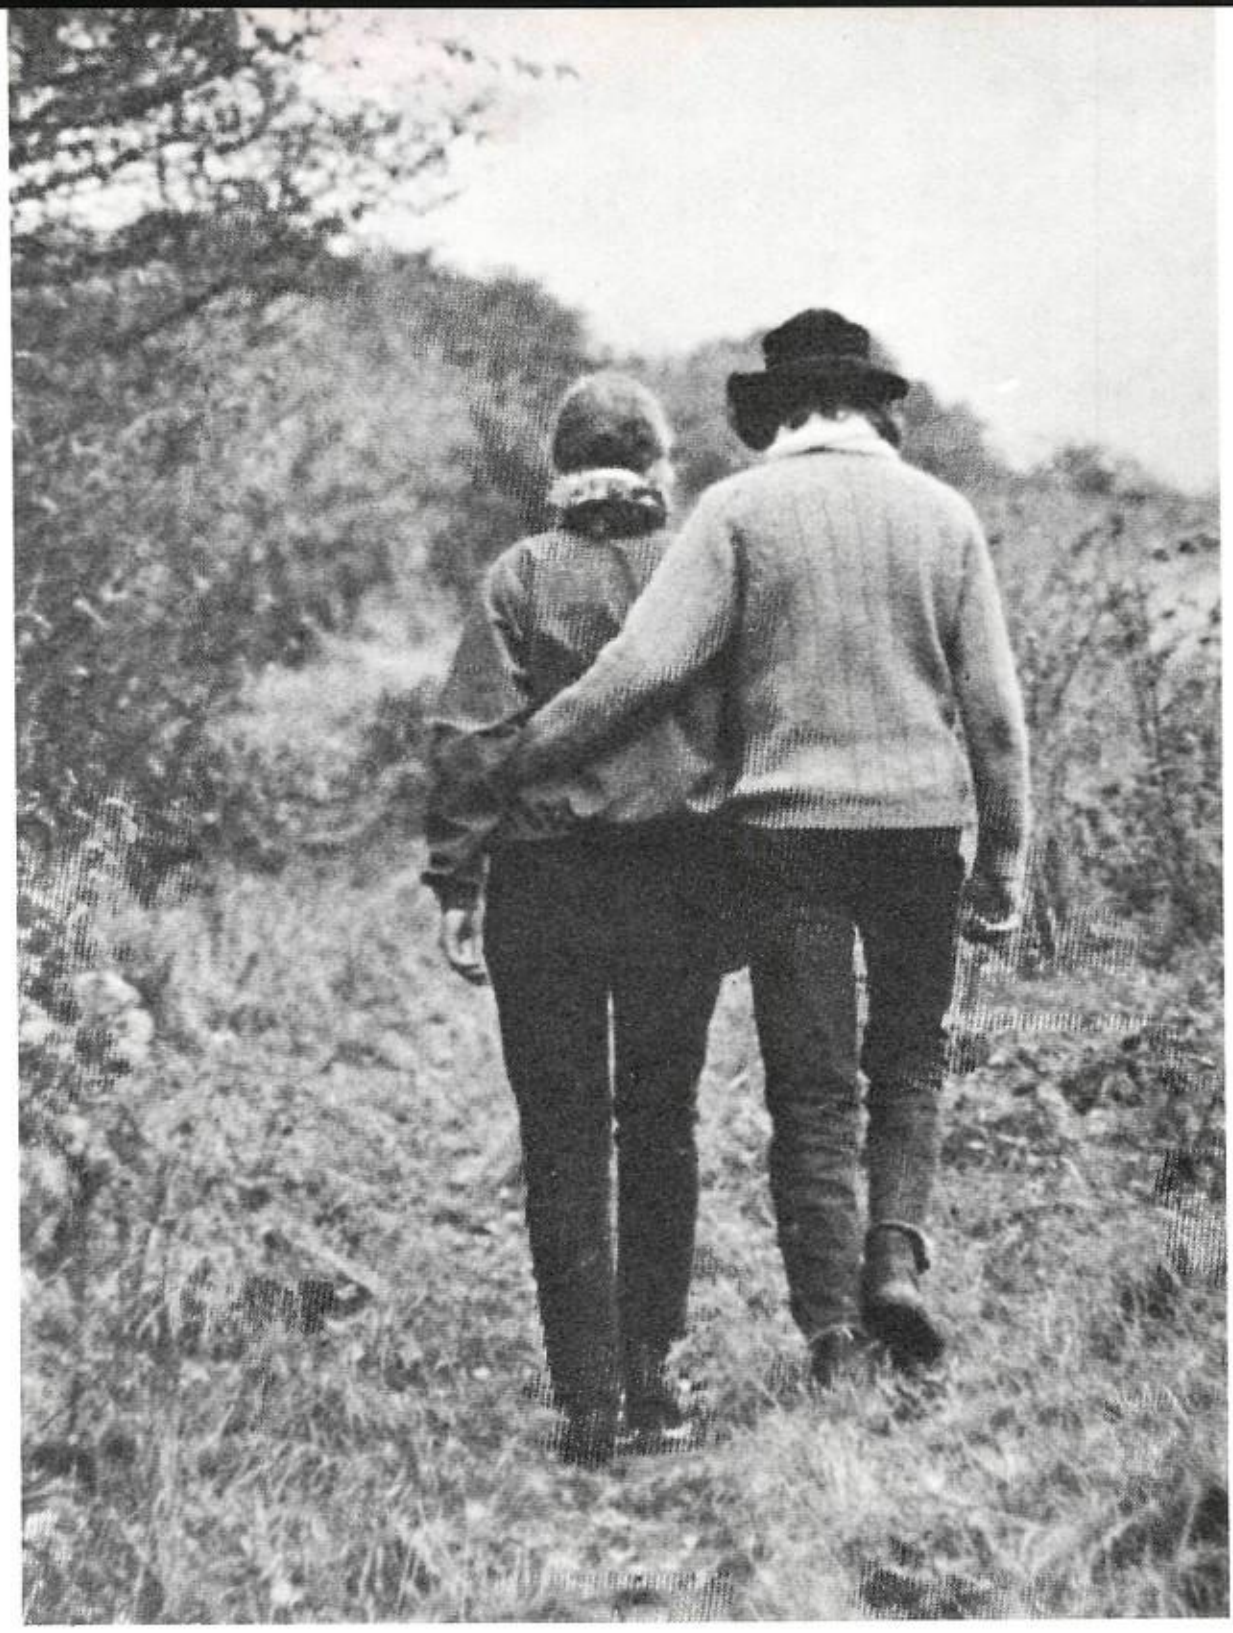


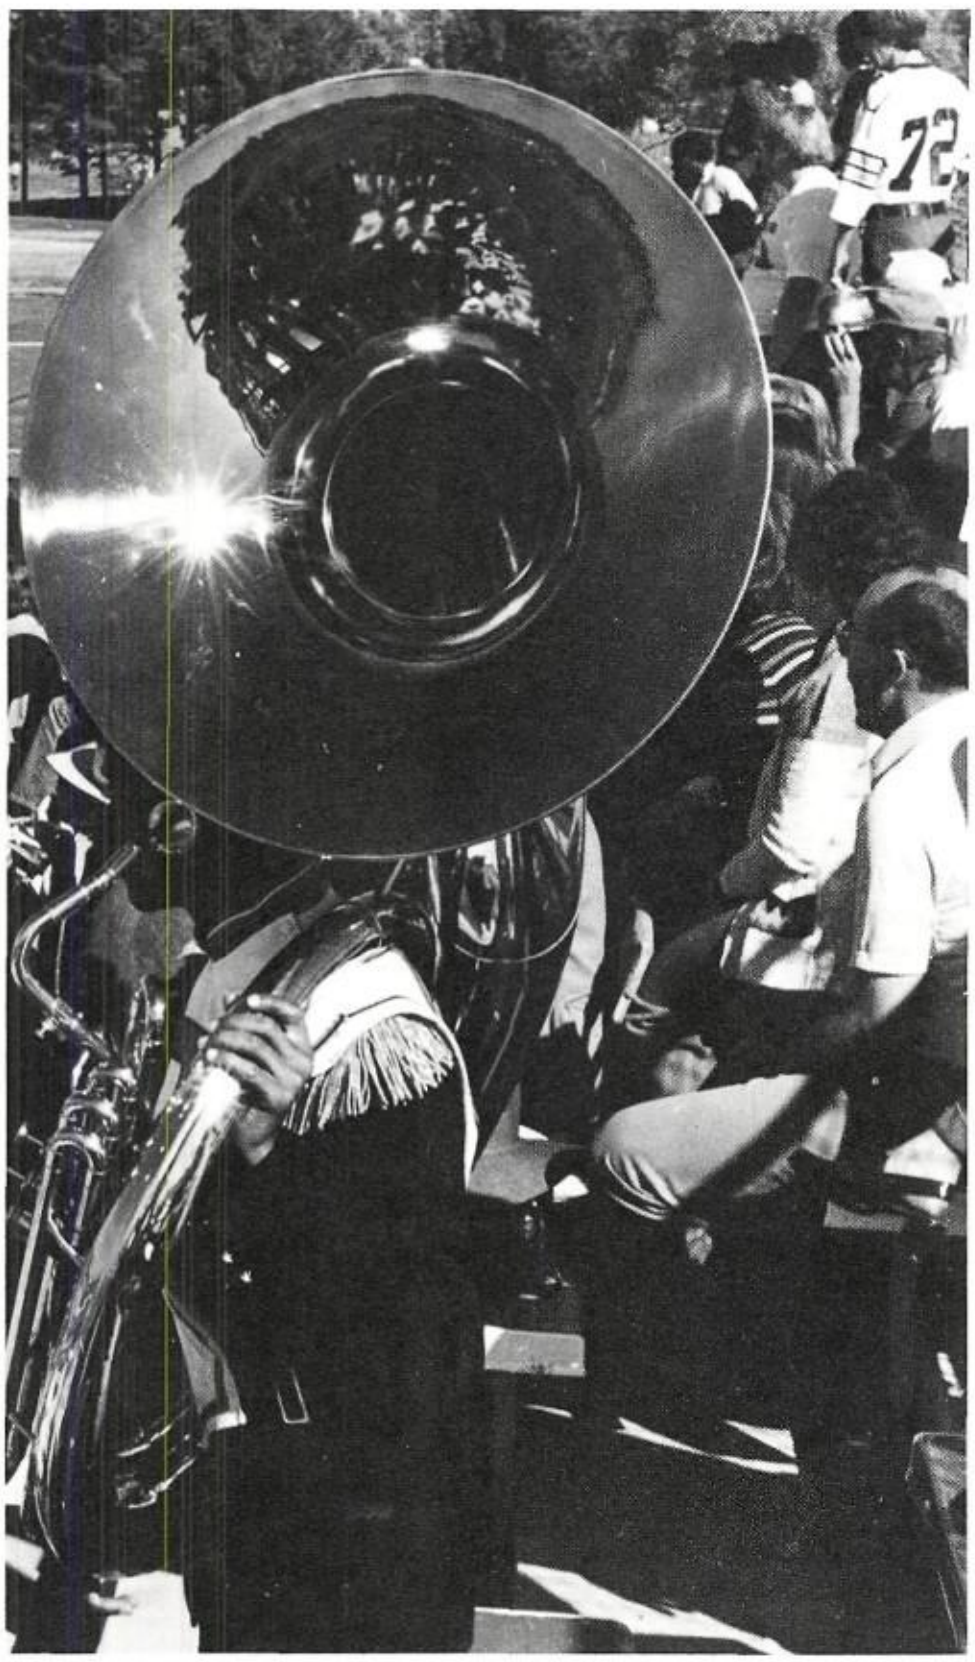
MEN





alas, my friend, as the bittersweet memory of your time together becomes a vague reminisence of futures passed.





still shall there be

a new dawn

in your sky,

and yet shall remain our

dreams of a triumphant

tomorrow:

a tomorrow

together.

THE ROAD NOT TAKEN

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I—
I took the one less traveled by,
And that has made all the difference.

LIFE IS LIKE A GOOD PHOTOGRAPH

It's no "Snap"

You have to begin with the right subject; compose your shot carefully; check your light and expose properly. And then you're not through. It takes patience and expertise in the Darkroom; a negative that is not too thick or too thin plus just the right amount of cropping and enlarging on the final Print. But the real joy comes when you show and share the finished product with others.

Congratulations... you're on your way
